

Name: Damen Poblete

Date: _____

In this assignment you will complete the following steps:

1. **Research:** Complete a graphic organizer with information about British Imperialism and the Chinese opium trade.
2. **Write:** Write an editorial from the perspective of a character involved in the British-Chinese opium trade.

RESEARCH

This section is worth 10 points. See the scoring rubric below for more details on how you will be graded on your research.

China and Great Britain were pursuing competing interests in the 19th century. The British wanted to create a positive trade balance with China by importing opium into that country. China wanted to maintain control over its population and trade by restricting foreign influence and goods. What motivations did each side have in pursuing its respective policies? Think about how different people on each side may have understood and justified their actions.

Choose one of the following characters/perspectives for your editorial:

- Chinese merchant
- British merchant
- Chinese politician
- British politician

Research Papers Imperialism:

An Annotated Guide to the Writings and Papers of Leonard Woolf Janet M. Manson, Wayne K. Chapman, 2018-02-15 This book describes inductively Leonard Woolf's career as a writer From novels and political studies to shorter journalism and criticism his published work is enumerated here in detail His signed and unsigned articles as literary editor of *The Nation* and *The Athenaeum* London and editor of *The Political Quarterly* Oxford are featured as well as an indexed selected list of political books in his library Collections of United States Joint Publications Research Service Translations in the Social Sciences Emanating from Communist China United States. Joint Publications Research Service, 1961 *American Imperialism's Undead* Raphael Dalleo, 2016-09-02 As modern Caribbean politics and literature emerged in the first half of the twentieth century Haiti as the region's first independent state stood as a source of inspiration for imagining decolonization and rooting regional identity in Africanness Yet at precisely the same moment that anticolonialism was spreading throughout the Caribbean Haiti itself was occupied by U S marines a fact that regional political and cultural histories too often overlook In *American Imperialism's Undead* Raphael Dalleo examines how Caribbean literature and activism emerged in the shadow of the U S military occupation of Haiti 1915-34 and how that presence influenced the development of anticolonialism throughout the region The occupation was a generative event for Caribbean activists such as C L R James George Padmore and Marcus and Amy Jacques Garvey as well as for writers such as Claude McKay Eric Walrond and Alejo Carpentier Dalleo provides new ways of understanding these luminaries while also showing how other important figures such as Aimé Césaire, Arturo Schomburg, Claudia Jones, Frantz Fanon, Amy Ashwood Garvey, H G De Lissers, Luis Palés Matos, George Lamming and Jean Rhys can be contextualized in terms of the occupation By examining Caribbean responses to Haiti's occupation Dalleo underscores U S imperialism as a crucial if unspoken influence on anticolonial discourses and decolonization in the region Without acknowledging the significance of the occupation of Haiti our understanding of Atlantic history cannot be complete

LeTrent-Jones, Maxim Voronov, David Weir, 2009-01-01 This is an excellent text It covers an impressive range of salient topics Moreover it provides a nuanced considered and balanced treatment of both conceptual

and practical aspects of critical management studies Cliff Oswick Queen Mary University of London UK This book is the first of its kind to reflect on what it means to actually perform critical management studies CMS how consultants researchers teachers and managers negotiate the tensions they experience in their everyday practice Critical management studies seeks to expose the hidden workings of power as well as to identify and reform the mundane and frequently unnoticed practices that privilege some groups and individuals at the expense of others creating injustices in organizations and in the society at large The authors show how CMS draws on a variety of approaches to translate its insights into practice Combining rich theoretical and empirical contributions with reflections on CMS practice in various forms this unique book is essential reading for critical researchers educators and graduate students in business and management fields Decolonial Politics in European Peripheries Sanja S. Petkovska, 2023-12-12 Decolonial Politics in European Peripheries Redefining Progressiveness Coloniality and Transition Efforts is a timely contribution to the project of theorizing Europe through decolonial perspectives on the Left as the European and global crisis has prompted new reflections on what it means to sit still at the European peripheries The book explores how the joint scholarship efforts of postcolonial and postsocialist scholars might come up with better grounded and more detailed theoretical and methodological insights into the process of globalization and subsequent peripheralization if framed under a progressive and leftist perspective The authors many from the South East Europe region use a variety of analytical lenses to demonstrate how the nexus of postcolonial postsocialist area studies and progressive developmental political thought could inspire changes in the future which are in dissonance with neoliberal and neoconservative capitalism As the side effects of global capitalism continue to accelerate scholars and activists in the postsocialist periphery are increasingly turning to the concept of decoloniality in the hope that it might offer more options on how to begin to build up their framework This book offers numerous examples of how decolonial theory can be applied to activist work in the fight against austerity and neoliberalization as well as examples of how decolonial critique can be mobilized to contest processes of Europeanization and Euro Atlantic integration This book will intrigue students and scholars of critical social scholarship in general as well as postsocialism and postcolonialism critiques of right populism and the rise of white nationalism in Europe and those studying the regions of South Eastern Europe and Eurasia more generally It will also interest activists organizers decision makers policy analysts and leftists both in the region and internationally

The Economics and Sociology of Capitalism Joseph A. Schumpeter, 1991-01-21 Joseph Schumpeter remains a highly enigmatic theorist in the history of modern economics His contributions however sought unity among theoretical economics economic sociology history and statistics during a time when emphasis on such matters has been decidedly losing ground within the academic profession on both sides of the Atlantic This anthology is a timely response to the reigning orthodoxy especially in view of renewed interest in political economy since the 1970s It is a superb collection of Schumpeter's essays some of which are printed in their entirety for the first time such as *An Economic Interpretation of Our Time* an unpublished

essay which was delivered as a Lowell Lecture in 1941 The informative introduction covers the intellectual as well as personal dimensions of Schumpeter both during his formative European period and in his fully developed but somewhat unhappy American years ISBN 0 691 04253 5 50 00

Research Papers Imperialism Introduction

In the digital age, access to information has become easier than ever before. The ability to download Research Papers Imperialism has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Research Papers Imperialism has opened up a world of possibilities. Downloading Research Papers Imperialism provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Research Papers Imperialism has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Research Papers Imperialism. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Research Papers Imperialism. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Research Papers Imperialism, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal

information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Research Papers Imperialism has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
