This assessment supports the following Course Learning Outcomes:

- 1) Apply insights from Australian environmental history to contemporary environmental management issues;
- 2) Identify and explain the different models/theories of the concept of development as they apply to the Australian context;
- 3) Articulate and describe the impact of development on Indigenous people;
- 4) Illustrate the main features of social systems and cultural values as they apply to natural systems' management in contemporary Australia

**NOTE:** There are two essay questions below. You must choose either Question 1 or Question 2 for your essay. Do not answer both questions.

There is also a list of directed essay readings for each question. In your essay, you must use at least two of the directed essay readings from the list for your question.

These readings contain ideas, information and examples which you can use to develop your essay. You can also use other academic articles in your essay along with two of the directed readings.

We will be working on how to read and use academic articles in the tutorials. We will also talk about each of the essay questions in class.

### Assessment Details:
