DaLawn Parrish The Man Who Became a WISE Coach DaLawn Parrish, Gary A. Hughes, 2024-04-30 This colorful memoir captures and highlights the ups and downs of an African American boy who never stopped dreaming even as he became a man Coach DaLawn Parrish is a living legend and is not even fifty years old He has won six Maryland state championships and has nine state final appearances in only seventeen seasons DaLawn was being raised by his mother in Baltimore City when his little brother accidentally set a fire in their tiny apartment that destroyed the kitchen as well as the upper part of the building His family was forced to move DaLawn's mother was able to move her young family to Severn Maryland but it was in a highly drug infested area called Pioneer City When DaLawn was in high school his mother moved the family to Columbia Maryland and this is where DaLawn Parrish evolved into a highly decorated prep school football star He eventually went on to become a star football player at Wake Forest University however because of his own acknowledged mistakes a lack of guidance from Wake Forest University and the business side of professional football DaLawn was unable to fulfill his dream of making it to the NFL However his dreams and plans to be a successful teacher and a winning high school head football coach came true and has been amazing The journey came with its ups and downs which included stints as an assistant high school football coach in Howard County Maryland a pit stop year as a graduate assistant for the Rutgers University football team and a total of only four wins in his first three seasons as a head football high school coach Lastly Coach DaLawn Parrish's cold and unemotional stone cold face on the sidelines looks very intimidating during football games Fans who only see his stoic demeanor on the sidelines will discover a humble side of Coach Parrish they never knew existed Enjoy Coach P was one of those coaches who believed in me when nobody else did He knew talent when he saw it and he would get everything that he could out of you He's one of those coaches you want to play for you want to make plays for and you want to make him proud of you Personally I don't think I would have gotten the opportunities that came my way when I was coming out of high school without him I started playing football late and I made it further than the ones who were most talked about Ryan Smith Tampa Bay Buccaneers Coach P was the best coach I've ever had Real live pushed me to be great and would not accept anything else He made me want to be great and go show my talents He strengthened my mentality and

helped me take those lessons to become a great man on and off the field Zach Pascal Arizona Cardinals Coach Parrish is not only a great and winning coach but a mentor and great builder of men especially coming from the circumstances I've come from During those times Coach Parrish took me in as his own and helped me become the man I am today Thank you Savion Williams XFL Coach Parrish helped instill in me a certain toughness edge about myself that I still carry until this day The culture he created truly gave us a head start and advantage over others It has allowed me to understand how to win at every level I play football John Daka Houston Roughnecks XFL Coach DaLawn Parrish is the reason I'm where I'm at currently in my career which is five years active in the NFL This man helped me reach my dreams that I thought were impossible to achieve Coach P pushed me to be the best in every area in my game and as a man Coach P installed discipline and structure into my life not only on the field but off the field as well Coach P wasn't just grooming elite athletes to get a free education and possibly reach the NFL he was also training young men to become stand up men Marcus Allen Pittsburgh Steelers

A Life of Ups and Downs and Twist and Turns of a Hispanic Family Ruben Garcia, 2019-11-20 The family unit as we know it is disintegrating before our eyes Why is this an alarming problem Because it is the family unit that shapes and molds us into the individuals that we are today In this book I try to share with you not only my triumphs and successes but my hardships and failures as well Born into an Hispanic family life has given me a unique perspective of the world around us It has engulfed me with the good and bad of what our society has to offer On the negative side I have tried to dismiss the stereotyping that unavoidably is attached to my race I have tried to overcome the prejudices that still linger today On the positive side I have learned to appreciate and respect the wonderful customs and traditions that my culture permeates As an adolescent my parents instilled in me the value of growing up in the Catholic faith As an athlete my father taught me the value of hard work grit and determination As a teacher my brother Doug taught me the value of shaping and molding the minds of our youth As a coach I learned the values of being a man of integrity adhering always to a code of moral conduct Be a man of your word my father would always tell me Be a role model and be willing to lead by example As a senior citizen I have learned to appreciate the life that God has blessed me with I ask you now what defines you as an individual How do you react to the ups and downs in your life How will you navigate the twists and turns that life drops at your doorstep Go forth and make a difference in the world

Tooley, 2016-04-05 The intent of this book is to

look at our educational system as it currently works and to evaluate not only why this system is broken but also how we might move forward together to fix it So how do we fix our failing schools We begin by finally taking the educator out from behind the desk and bring them to the table to share in the decisions and solutions regarding what is happening in our schools It is time to part the curtains on our public school system and show you the villains the heroes the talented and the not so talented It is time to give you a behind the scenes view of our educational stage **Empowering Formal and Informal Leadership While Maintaining Teacher Identity** Zugelder, Bryan S., 2021-05-07 Teacher leadership remains at the forefront of conversations in teacher education with discussions on recruitment retention and effectiveness Teachers are at the core of schooling and the roles they assume and types of leadership they engage in are multi dimensional Teacher leadership comes in many shapes and definitions In this sense both opportunities and challenges exist in teacher leadership While national competencies continue to define dispositional and knowledge base for teacher leaders there is still work to be done to define and add to the body of scholarship on this topic Teacher leadership opportunities provide development for teachers as a key retention strategy however role ambiguity presents challenges in how to empower teachers for formal and informal roles of leadership while maintaining the teacher identity Empowering Formal and Informal Leadership While

Maintaining Teacher Identity provides a comprehensive look at the opportunities and challenges of teacher leadership drawing on research and practice that add to the body of knowledge for teacher leadership which is a niche in education that differs from educational administration Highlighted topics within this book include models for teacher leadership teacher education types of leadership roles the development and retention of teacher leaders and leadership across different types of school districts This book is ideally designed for inservice and preservice teachers administrators teacher educators practitioners researchers academicians and students interested in teacher leadership roles and the way in which teacher identity is maintained in relation to these other leadership positions

Decisions and Orders of the National Labor Relations Board United States. National Labor Relations Board,1989 *Marv Levy* Marv Levy,2012-01-14 Forty seven years of joyous celebrations after victories and crushing disappointments after defeats are encompassed in Marv Levy Where Else Would You Rather Be but it is about more than just touchdowns and interceptions it s about how a person like Marv Levy dedicated to his life s work can begin his career as the obscure assistant coach of a high school junior varsity team and decades later lead a team to the Super Bowl Readers will learn about the character persistence and personalities of those incomparable Buffalo Bills of the 1990s who so resolutely pursued their impossible dream Sports fans will look forward to each adventure contained in these pages and will no doubt agree with the sentiment of the author Where else would I rather be than right here right now

Teacher Agency for Equity Raquel Ríos,2017-07-06 This book provides educators with a conceptual framework to explore and develop authenticity and agency for equity In response to growing cynicism within the field of education Raquel Ríos argues that in order to become authentic agents of change teachers must take a stance of mindful inquiry and examine the role of a teacher within the broader socio political context By utilizing the six principles of Conscientious Engagement teachers can expand their awareness of the power of language and thought the complex nature of our professional relationships and how we channel energy in ways that can impede or strengthen our work for equity Full of real world stories and input from practitioners in the field this book helps teachers of all levels develop the skills and confidence to grapple with tough philosophical and ethical questions related to social justice and equity such as What is poverty consciousness and what responsibility do we owe students who come from poorer communities How does racist ideology impact our thinking and practice in education How can we tap into an evolutionary consciousness and collective purpose in order to transform how we advocate for equity How can we expand our professional network for the integration of new ideas How can teachers really make a difference that matters a difference that extends beyond the four walls of the classroom
