A Bible-Based Chronology from the Creation to the Second Advent of Jesus Christ Jim Dodge, 2018-11-09 The Scriptures reveal that when we enter the latter days we ll find ourselves in an increasingly chaotic world where godlessness and lawlessness rule the day During this time God s word will be neglected and twisted for self serving agendas truth will become subjective and relative and entertainment idolatry liturgy and rituals will replace the Lord Jesus from being the central focus of worship in mainline churches In this Bible based chronology the author examines where we are on God s timeline and more importantly why it s not too late to benefit from God s incredible message of creation redemption and eternal life Importantly for these end times the Bible contains an amazingly accurate timeline dating from the Creation to the Second Coming It s been intentionally hidden but specific windows of time highlight the latter days Celebrate God s imminent return and learn about the specific generation that will see all these things before it passes away so that we as children of light should not let the day of the Lord s return overtake us as a thief in the night

The Popular and Critical Bible Encyclopædia and Scriptural Dictionary Bp. Samuel Fallows, 1902 **A Theology of Matthew's Gospel** Michael J. Wilkins, 2025-10-07

A Theology of Matthew's Gospel develops the perspective that Matthew wrote his Gospel to identify, defend and proclaim Jesus Immanuel, God with us, as the Davidic Messiah who fulfilled the OT expectations of humanity's redemption. Matthew's Gospel establishes Jesus's identity as the heir to the promises of Israel's throne through King David and heir to the promises of blessing to all the nations through the patriarch Abraham. 1:1 So this first Gospel offers evangelistic hope in Jesus's message of the gospel to Jews, contending that they should turn to Jesus as their long-awaited Messiah. Matt 11:2-6 But strikingly, Matthew's Gospel also offers evangelistic hope to Gentiles, emphasizing that salvation through Jesus Messiah is available to all the nations. 28:19 The book emphasizes the three horizons that comprise Matthew's gospel: history, theology, and literature. The first horizon focuses on Jesus's history ministry. Here, Matthew provides for us a record of God's activities in history in the arrival of Jesus Messiah and the kingdom of heaven. The second horizon develops Matthew's theological perspective for his audience's. Here, we attempt to understand and isolate Matthew's unique theological perspective of God's activities in Jesus Messiah. This is a central focus, emphasizing Matthew's theological perspective of the Old Testament, Christology, the kingdom of heaven, discipleship, the Church, church, Israel, past, present, and future, the death and resurrection of Jesus, mission, commission, and eschatology, eternity. The third horizon emphasizes today's reader's engaging with Matthew's Gospel as literature. Here, we attempt to capture the significance of the perspective of today's reader's understanding of Jesus Messiah's activities in history and Matthew's theological perspective for the contemporary church. In this book, we view Matthew's perspective of God's activities in Jesus's unfolding earthly ministry. The alternating sections of narrative and discourse provide for his readers Jesus's example to follow and Jesus's words to obey. Therefore, Matthew's Gospel is at least in part a manual on discipleship to Jesus Messiah in the kingdom of heaven. In the six Narratives, Matthew reveals Jesus's true identity in his deeds and introduces themes that will lead to instructions to Jesus's disciples in the Discourses. The six Narratives provide the example that Jesus's disciples are commanded to obey. In the five Discourses, Matthew records Jesus's instructions, commands, parables, directives, and prophecies that will guide his followers in their discipleship to Jesus until the end of the age. Combined, the narratives of Jesus's life provide Jesus's example to follow, and the discourses give Jesus's instructions to obey and are the basis of our ongoing transformation to become like Jesus.

Testament Theology Jon Isaak,2011-01-01 New Testament theology ought to be both descriptive and constructive this is the argument of New Testament Theology Extending the Table According to Isaak New Testament theology is descriptive in that it deals with the accounts that people narrate of their experience with Yahweh the God of Israel in the light of Easter It is constructive in that it joins the diverse testimonies of the New Testament writers into a textured and thick space within which contemporary followers of Jesus continue to be shaped by the ancient yet living Spirit of God Isaak s approach is historical thematic and theological in orientation It explores the conversation taking place around the table where the writers of the NT share their guiding vision of God s saving work among them and their passion for the Christian church engaged in God s mission The differing perspectives of the New Testament authors are held together without reduction forming a deep
