Stanfield's Introduction to Health Professions with Navigate Advantage Access Nanna Cross, Dana McWay, 2022-02-04

The eighth edition of Stanfield's Introduction to Health Professions provides comprehensive coverage of all the major health professions. This valuable resource is designed for students who are interested in pursuing a health-related career but are still exploring and have not yet decided on a career. The Eighth Edition outlines more than 75 careers and touches on every major facet of the field including a description of the profession and typical work settings, educational licensure and certification requirements, salary and growth projections, and internet resources on educational programs. In addition, this text provides a thorough review of the U.S. healthcare delivery system, managed care, health care financing, reimbursement, insurance coverage, Medicare, Medicaid, and the impact of new technology on healthcare services. Information on career preparation and development is also included. All chapters are updated to reflect current demographics and new policies.
