Perfect Pushup Manual:

God's Exercise Manual Keith Lopez Organic Fitness, 2007-12-18 *God's Exercise Manual* is a book created to provide an understanding of health. It teaches a simple method to maintain a healthy body weight. In a time when all food is fast and all movement is minimal, this book is a necessity. Health is not an option; it is a desired state among all living creatures. I created this book after 10 years of saturating myself in the world of health and fitness. Nutrition and exercise will make an impact in your life if you can live with the simple changes that will increase your health. A prescription does no good if it is not taken. This book was written to deliver powerful and effective theories on exercise. Simple and gradual changes in the way you move. This is not a temporary change; your life is this. This is a permanent change of your life. This diet is created by God because he created all the movements in the program.

Every guy is at least part Bad Boy, and in *The Manual*, this prime specimen reveals what every woman needs to know to counter Bad Boy tactics, both amateur and professional. Discover what you may not want to know but need to know about *The Heart of the Bad Boy*, i.e. the nature of the beast. *The Male Mind*, how he sees you and how you can make this work to your advantage. *Guys on the Hunt*, the male modus operandi from the grocery store to Home Depot. *When Boy Meets Girl*, how to handle dating from flirting to sext messaging to learning his weaknesses. *Mating*, so you've got him, should you keep him? Why learn from a Bad Boy instead of say a psychologist? Because there's no replacement for in the field experience.
