Carlson, 2025-06-25 A guidebook for discovering how heartbreak can become the doorway to profound meaning and joy from the bestselling co-creator of the *Don't Sweat the Small Stuff* Series. In 2006, after building the bestselling franchise *Don't Sweat the Small Stuff* with her husband Richard, Kristine Carlson faced a shattering loss: the sudden death of her beloved spouse. Woven together with the remarkable stories of others' loss and recovery, her deeply moving story reveals a clear process of healing that is common to everyone and goes far beyond ordinary prescriptions for getting through hard times. In her new book *From Heartbreak to Wholeness*, Kristine offers a life-altering map for navigating the heroic journey from loss to joy, one that ultimately awakens readers to a deep love affair with life. Every day, people suffer heartbreaks of some kind: loss of a loved one, divorce, illness, loss of a job or home, and seek to understand why these losses and traumas have befallen them and how they'll make it through in one piece. For readers who have endured loss of any kind, Kristine takes them by the hand, showing them how to traverse their own jagged edge of growth and emerge as the hero, whole, happy, and empowered. Each chapter of *From Heartbreak to Wholeness* includes powerful exercises in self-inquiry and reflection along with step-by-step guidance for writing one's own heroic story of healing. Journey with Kristine Carlson and learn how you can walk the path from heartbreak to wholeness. **Together Still** Linda Hill, 2025-01-28 With poetic gentleness and vulnerable integrity,

Linda Hill's memoir *Together Still: Love Beyond Death* portrays *Continuing Bonds*, a compelling approach to end-of-life accompaniment, death care, and bereavement. For four adventurous decades, Linda and her beloved spouse John Scull explored the world with wonder and curiosity. They loved each other, their families, and friends wholeheartedly. They cared for nature and their community with spirits of generosity. After John was diagnosed with a terminal illness, the couple resiliently continued their loving ways of accompanying each other as they travelled to the horizon of John's life. When John died, Linda was utterly unprepared for what was about to happen. At first, she dismissed her spiritual experiences as illnesses and dismissed John's after-death communication as wishful thinking. Fortunately, John persisted in doing everything he possibly could to let her know he was still with her. Their reciprocal spiritual bonds transformed Linda's off-kilter journey through her heart fracturing grief into a heroic odyssey of what she calls *re-orbiting* around love and happiness. Each chapter of Linda's beautifully written memoir intertwines romance, spirituality, and the healing power of cultivating and continuing loving bonds. To this day, John reaches out to Linda through spiritual communication, messages in nature, uncanny coincidences, and visitations in her dreams. Linda reaches out to John through meditation, journaling, creative arts, memorial events, joint legacy
