

PARAGRAPH ON SAVE TREES

Trees are life, it is the best time to take some strict measures to save trees to Save life on earth.

Someone has rightly said that forests are the lungs of our land, if we will remove lungs how would we be able to live on land.

Trees and forests are a collective property so we all should save trees. To cut down a tree is akin to cutting down a life.

It is said that he who plants a tree plants a hope. For our coming generations trees are the best gifts that we can save.

Some one has said that " The trees are our lungs, the rivers are our circulation, the air is our breath and the earth is our body". To save trees, rivers, air and land is to save our own life.
