

ANNOTATING A TEXT

Skillful readers annotate as they read. When you annotate a text, you mark the text and write notes or questions in the margins. Annotating will help you keep track of your ideas and questions.

Just as you read with a purpose, you should annotate with a purpose. You can use the following symbols to help you organize your annotations:

- Underline key ideas and major points.
- Write a ? next to anything that is confusing, such as unfamiliar words or unclear information.
- Circle key words or phrases.
- Put an ! next to surprising or important information or information that helps you make a connection.

Read “To Build a Fire” three times. Think about which annotations and notes the reader made during each read.

To Build a Fire

by Jack London

? At twelve o'clock the day was at its brightest. Yet the sun was too far south on its winter journey to clear the horizon. The (bulge of the earth) intervened between it and Henderson Creek, where the man walked under a clear sky at noon and cast no shadow. At half-past twelve, to the minute, he arrived at the forks of the creek. He was pleased at the speed he had made. If he kept it up, he would certainly be with the boys by six. He unbuttoned his jacket and shirt and drew forth his lunch. The action consumed no more than a quarter of a minute, yet in that brief moment the (numbness laid hold of the exposed fingers.) He did not put the mitten on, but, ! instead, struck the fingers a dozen sharp smashes against his leg. Then he sat down on a snow-covered log to eat.

ANNOTATION NOTES

man on journey (1st read)

Does the man have a name? (1st read)

very aware of time (2nd read)

extremely cold conditions (2nd read)

word play—usually fingers hold something (3rd read)

desperate and hungry (3rd read)

Practice Annotating Text
