Food Person Adam Roberts, 2025-05-20 For fans of Alison Espach's *The Wedding People* and Dolly Alderton's *Good Material* a delectable comedy of manners about cooking ambition and friendship set in the food world as a young and socially awkward writer takes a job ghostwriting the cookbook for a famous and famously chaotic Hollywood starlet Isabella Pasternack is a food person She revels in the beauty of a perfectly cooked egg she daydreams about her first meal at Chez Panisse and every inch of her tiny apartment teems with cookbooks from *Prune* to *Cooking by Hand* to *Roast Chicken and Other Stories* What Isabella is not unfortunately is a gainfully employed person In the wake of a disastrous live streamed soufflé demonstration Isabella is summarily fired from her job at a digital food magazine and must quickly find a way to keep herself in buckwheat and anchovy paste When offered the opportunity to ghostwrite a cookbook for Molly Babcock the once beloved television actress now mired in scandal Isabella warily accepts Unfortunately Molly quickly proves herself to be a nightmare collaborator hungover flaky shallow and worst of all indifferent to food But between Molly's bizarre late night texts goofy confessions and impromptu road trips Isabella reluctantly begins to see Molly's charms Can Isabella corral Molly out of the gossip rags and into the kitchen Can she find the key to Molly's heart and stomach Or will Isabella's devotion to her culinary idols and Molly's monstrous ego send the entire cookbook and both of their careers up in flames A mouthwatering hilarious debut peppered with insider food world detail the real writers behind celebrity chef cookbooks the hot restaurants that run on the backs of their sous chefs the secret to perfect blinis la Russe Adam Roberts's *Food Person* is a literary soufflé a deceptively light deliciously rich showstopping confection
