**Reid Duffy's Guide to Indiana's Favorite Restaurants, Updated Edition** Reid Duffy, 2006-11-01 Noted TV personality and columnist Reid Duffy showcases 30 Indiana restaurants that have stood the test of time in this updated and expanded edition of Indiana's Favorite Restaurants. These showcased restaurants have been in existence for 25 years or more and in some cases for several generations. Recipes for favorite dishes from these restaurants are included so that you can recreate the foods you love at home. Approximately 60 recipes from Acapulco Joe's Taco Filling to Nashville House Fried Biscuits accompany Duffy's reviews. Comfort food abounds in Indiana: 162 restaurants are included in this category and 23 well-known steak houses are highlighted in Where's the Beef. No fewer than 137 ethnic restaurants around the state are profiled here. Duffy looks to the future as well: he reviews 80 new restaurants that are destined to stand the test of time. All of the restaurants popularized by Indiana Cooks IUP 2005 have been included in this mouthwatering guidebook. Double the size of the original guide, Reid Duffy's Guide to Indiana's Favorite Restaurants serves up 432 thorough and extensive reviews. Each establishment has been visited in person and the food taste tested. The result is the best guide to great dining for Indiana residents as well as visitors to the Hoosier state.

[The World in a Skillet](#) Paul Knipple, Angela Knipple, 2012-03-01 Paul and Angela Knipple's culinary tour of the contemporary American South celebrates the flourishing of global food traditions down home. Drawing on the authors' firsthand interviews and reportage from Richmond to Mobile and enriched by a cornucopia of photographs and original recipes, the book presents engaging, poignant profiles of a host of first-generation immigrants from all over the world who are cooking their way through life as professional chefs, food entrepreneurs, and restaurateurs and home cooks. Beginning the tour with an appreciation of the South's foundational food traditions including Native American, Creole, African American, and Cajun, the Knipples tell the fascinating stories of more than forty immigrants who now call the South home. Not only do their stories trace the continuing evolution of southern foodways, they also show how food is central to the immigrant experience. For these skillful, hardworking immigrants, food provides the means for both connecting with the American dream and maintaining cherished ethnic traditions. Try Father Vien's Vietnamese-style pickled mustard greens, Don Felix's pork ribs, Elizabeth Kizito's Ugandan-style plantains in peanut sauce, or Uli Bennevit's creamy beer soup and taste the world without stepping north of the Mason-Dixon line.
