McIver,2017-10-16 The modern twenty first century kitchen has an array of time saving equipment for preparing a meal a state of the art stove and refrigerator a microwave oven a food processor a blender and a variety of topnotch pots pans and utensils We take so much for granted as we prepare the modern meal not just in terms of equipment but also the ingredients without needing to worry about availability or seasonality We cook with gas or electricity at the turn of the switch we have instant heat But it wasn t always so Just step back a few centuries to say the 1300s and we d find quite a different kitchen if there was one at all We might only have a fireplace in the main living space of a small cottage If we were lucky enough to have a kitchen the majority of the cooking would be done over an open hearth we d build a fire of wood or coal and move a cauldron over the fire to prepare a stew or soup A drink might be heated or kept warm in a long handled saucepan set on its own trivet beside the fire Food could be fried in a pan grilled on a gridiron or turned on a spit We might put together a small improvised oven for baking Regulating the heat of the open flame was a demanding task Cooking on an open hearth was an all embracing way of life and most upscale kitchens had more than one fireplace with chimneys for ventilation One fireplace was kept burning at a low steady heat at all times for simmering or boiling water and the others used for grilling on a spit over glowing radiant embers This is quite a different situation than in our modern era unless we were out camping and cooking over an open fire In this book Katherine McIver explores the medieval kitchen from its location and layout like Francesco Datini of Prato two kitchens to its equipment the hearth the fuels vessels and implements and how they were used to who did the cooking man or woman and who helped We ll look at the variety of ingredients spices herbs meats fruits vegetables food preservation and production salted fish cured meats cheese making and look through recipes cookbooks and gastronomic texts to complete the picture of cooking in the medieval kitchen Along the way she looks at illustrations like the miniatures from the Tacuinum Sanitatis a medieval health handbook as well as paintings and engravings to give us an idea of the workings of a medieval

kitchen including hearth cooking the equipment used how cheese was made harvesting ingredients among other things She explores medieval cookbooks such works as Anonimo Veneziano Libro per cuoco fourtheenth century Anonimo Toscano Libro della cucina fourteenth century Anonimo Napoletano end of thirteenth early fourteenth century Liber de coquina Anonimo Medidonale Due libri di cucina fourteenth century Magninus Mediolanensis Maino de Maineri Opusculum de saporibus fourteenth century Johannes Bockenheim Il registro di cucina fifteenth century Maestro Martino s Il Libro de arte coquinaria fifteenth century and Bartolomeo Sacchi called Platina s On Right Pleasure and Good Health 1470 This is the story of the medieval kitchen and its operation from the thirteenth century until the late fifteenth century *The 10:10 Recipe Book* Sarah Di Lorenzo,2022-06-08 The companion book to Sarah Di Lorenzo s 1 bestseller The 10 10 Plan featuring 150 delicious recipes to help you lose weight and keep it off The 10 10 Recipe Book is the ultimate companion to The 10 10 Plan which shows you how to lose weight the healthy way This companion cookbook offers more than 150 recipes for people with busy lifestyles who want to lose weight and keep it off forever Created by clinical nutritionist Sarah Di Lorenzo these tasty and easy to make recipes include everything from breakfast favourites soups and smoothies to more substantial lunches and dinners and even includes snacks and delicious desserts for those with a sweet tooth Whether you are just starting the 10 10 program or are looking for a broader range of recipes that will help keep your weight loss on track these recipes are nutrient rich and delicious and are designed to help keep you full nourish and inspire you Sarah s approach isn t about fad dieting and starving yourself Rather it s about using lots of quality unprocessed ingredients in delicious and interesting ways to maintain optimum weight and health as a way of life Sarah s recipes are balanced simple easy and delicious and won t have you in the kitchen doing hours of laborious prep Sophie Falkiner TV presenter Counting calories and reading nutrition labels is a punishment just stick with Sarah s recipes and she ll change the way you eat feel and look Kendall Bora Executive Producer Weekend Today Channel 9 **Cook As You Are** Ruby Tandoh,2021-10-07 WINNER OF THE 2022 GUILD OF FOOD WRITERS GENERAL COOKBOOK AWARD A SUNDAY TIMES BOOK OF THE YEAR A GUARDIAN FOOD BOOK OF THE YEAR A STYLIST BOOK OF THE YEAR A DIANA HENRY BEST COOKBOOK TO BUY AUTUMN 2021 Practical straight talking endlessly inspirational this is Ruby at her best Nigel Slater I d recommend it for everyone from novice cooks looking for a helping hand in the kitchen to keen cookbook buyers looking for new inspiration Rukmini Iyer author of The Roasting Tin One of the best most interesting cookbooks I ve seen in a long time Ravneet Gill author of The Pastry Chef s Guide and judge on Junior Bake Off A warm invitation to relax into and enjoy the experience of cooking and eating Nigella Lawson Beautiful practical and a total game changer Ella Risbridger author of Midnight Chicken Ruby Tandoh wants us all to cook and this is her cookbook for all of us the real home cooks juggling babies or long commutes who might have limited resources and limited time From last minute inspiration to delicious meals for one easy one pot dinners to no chop recipes for when life keeps your hands full Ruby brings us 100 delicious affordable and achievable recipes including salted malted magic ice
