With extensive subject and geographical index, 66 photographs and illustrations, mostly color. Free of charge in digital PDF format on Google Books.

The Edible Front Yard Ivette Soler, 2011-02-23 Front lawns beware! The Germinatrix has you in her crosshairs. Ivette Soler is a welcome voice urging us to mow less and grow some food in her uniquely fun, infectious yet informative way. Garden Rant: People everywhere are turning patches of soil into bountiful vegetable gardens, and each spring a new crop of beginners pick up trowels and plant seeds for the first time. They're planting tomatoes in raised beds, runner beans in small plots, and strawberries in containers. But there is one place that has until now been woefully neglected: the front yard. And there's good reason. The typical veggie garden with its raised beds and plots is not the most attractive type of garden, and favorite edible plants like tomatoes and cucumbers have a tendency to look a scraggly even in their prime. But *The Edible Front Yard* isn't about the typical veggie garden, and author Ivette Soler is passionate about putting edibles up front and creating edible gardens with curb appeal. Soler offers step-by-step instructions for converting all or part of a lawn into an edible paradise, specific guidelines for selecting and planting the most attractive edible plants, and design advice and plans for the best placement and for combining edibles with ornamentals in pleasing ways. Inspiring and accessible, *The Edible Front Yard* is a one-stop resource for a front and center edible garden that is both beautiful and bountiful year-round.

Chickpea Flour Does It All: Gluten-Free, Dairy-Free, Vegetarian Recipes for Every Taste and Season Lindsey S. Love, 2016-04-05 Meet the New Must-Have It! Pantry Staple: Chickpea Flour. Why make chickpea flour your new go-to? Because everyone, gluten-free or not, will find a reason to love it. This versatile alternative to wheat flour shines in savory and sweet dishes alike. It's been used for centuries around the world and is famous in Nice, France, where the flatbread socca is enjoyed with a chilled glass of rosé. In this gorgeously photographed cookbook, Lindsey S. Love takes inspiration from her favorite seasonal ingredients, global flavors, and much-loved family recipes to create vibrant, gluten-free, dairy-free, and vegetarian dishes where chickpea flour is the star. Gluten-free diners especially will be amazed by the variety, nothing's off the table anymore, and taste is never sacrificed. Plus, many recipes are vegan, taking advantage of chickpea flour as a base for vegan sauces and a soy-free alternative to tofu. Lindsey's inventive recipes meld sophisticated and subtle flavors and beg to be shared with friends and family at any time of the year. Toast It, Sift It, Simmer It: Chickpea Flour Does It All. Thickens and flavors hearty dishes like Sunchoke and Leek Soup. Gives any dish a protein boost, even Vanilla Bean Lavender Cupcakes. Adds

creamy texture to dairy free dishes such as Loaded Sweet Potatoes with Chickpea Sour Cream And brings back family favorites now gluten free like pizza Chickpea Pizza with Asparagus and Pea Shoot Tangle and pancakes Saut ed Pear and Sage Pancakes with Almonds *Hype* Nina Shapiro,Kristin Loberg,2018-05-01 A top doctor cuts through the clutter of confusion when it comes to the best advice for your health Every home should have a copy of Hype Sanjay Gupta MD CNN Chief Medical Correspondent and New York Times bestselling author There is a lot of misinformation thrown around these days especially online Headlines tell us to do this not that all in the name of living longer better thinner younger Dr Shapiro wants to distinguish between the falsehoods and the evidence backed truth In her work at Harvard and UCLA with more than twenty years of experience in both clinical and academic medicine she helps patients make important health decisions every day She s bringing those lessons to life here with a blend of personal storytelling and science to discuss her dramatic new definition of a healthy life Hype covers everything from exercise to supplements alternative medicine to vaccines and medical testing to media coverage Shapiro tackles popular misconceptions such as toxic sugar and the importance of drinking eight glasses of water a day She provides simple solutions anyone can implement such as drinking 2% milk instead of fat free and using SPF 30 sunscreen instead of SPF 100 This book is as much for single individuals in the prime of their lives as it is for parents with young children and the elderly Never has there been a greater need for this reassuring and scientifically backed reality check A feisty fact filled diatribe Shapiro s skeptical no nonsense approach and probing assessment of fact versus fiction make for lively reading that is likely to help readers make better health and medical choices Publishers Weekly
