Recipe For Orange Gelatin Salad:

From Grandma's Recipe Box Gooseberry Patch, 2021-01-01 Some of our most cherished memories are of visits to Grandma's house and the wonderful meals she cooked for us. When she called us down for breakfast we knew there would be homemade caramel rolls and hot cocoa waiting just for us. In chilly weather there was always a hearty kettle of vegetable soup or chili simmering on her stove. At dinnertime the table overflowed with tender chicken and noodles or slow baked pot roast, buttery mashed potatoes, brown sugar carrots because she knew we wouldn't eat them otherwise, and salads fresh picked from her garden. Her cookie jar was filled with our favorite snickerdoodles or chocolate chip cookies and there was always a frosted layer cake in the cake stand. So many delicious memories. From Grandma's Recipe Box is chock full of all these recipes and more shared by cooks like you handed down through generations and still enjoyed today. We've included easy tips for adding down home flavor to meals and for making get togethers with family friends special. If you enjoy old fashioned comfort food you'll love the recipes in this cookbook. 225 Recipes **Bowl of Salad** Christina

The Alaska Wild Berry Cookbook The Editors of Alaska Northwest Books The Editors of Alaska Northwest Books, 2012-11-15 Whether you are the family berry picker, grocery store shopper, or cook, here are the best time-tested recipes for cooking with the more abundant and popular species of wild berries indigenous to Alaska. It's all here, from currants to watermelon berries, from milkshakes to mincemeat. Included are recipes for breads, salads, main courses, desserts, preserves, candies, syrups, trail food, and even some beverages like juices, milkshakes, and punches. Many of the recipes are in the dessert category, but you will be surprised at many other ways there are to use wild berries. Lowbush cranberries are particularly good in certain meat dishes and are useful as a marinade for meat. Wild berries are fine for jam and jelly making, not to mention drying and freezing. Cultivated species may be substituted for wild berries in these recipes, but one must remember that they are often less tart than their wild relatives and adjustments in sugar added may be necessary.
