Golden went for a routine doctor's visit she learned she had borderline diabetes and hypoglycemia. If she didn't change her diet she'd probably get full-blown diabetes. Golden, who loves baking and making sweets, knew she'd fallen into some bad eating habits. She was never a skinny girl and sugar always drew her to unhealthy foods. Her health took another bad turn after she suffered multiple strokes. The medication she was put on gave her cramps and stomach aches, and she became increasingly frustrated. Something needed to change. With the help of her husband, family, and others, she discovered a healthier lifestyle focused on low-carbohydrate eating. In just nine months, one revolving around various recipes she shares in this book, including smoothies, marinades, asparagus roasted with balsamic brown butter, blackberry salmon, and sweet treats. Whether you're carrying a few extra pounds, suffer from pre-diabetes or full-blown diabetes, or crave a healthier way of life, you'll be inspired to make positive changes with the guidance and recipes in *From Fudge to Freedom*. Taco Ignacio M. Sánchez Prado, 2025-10-09. *Object Lessons* is a series of short, beautifully designed books about the hidden lives of ordinary things. Taco is a deep dive into the most iconic Mexican food from the perspective of a Mexico City native. In a narrative that moves from Mexico to the United States and back, Sánchez Prado discusses the definition of the taco, the question of the tortilla and the taco shell, and the existence of the taco as a modern social touchstone that has been shaped by history and geography. Challenging the idea of centrality and authenticity, Sánchez Prado shows instead that the taco is a contemporary transcultural food that has always been subject to transformation. **Hungry Girl: 200 Under 200** Lisa Lillien, 2009-04-14.
