

Mobile Marketing:

Mobile marketing is the art of marketing your business to appeal to mobile device users. When done right, mobile marketing provides customers or potential customers using smartphones with personalized, time- and location-sensitive information so that they can get what they need exactly when they need it, even if they're on the go.

Way of working of Mobile Marketing :

Mobile marketing consists of ads that appear on mobile smartphones, tablets, or other mobile devices. Mobile marketing ad formats, customization, and styles can vary.

Need of Mobile Marketing Strategy

Your business needs a mobile marketing strategy for the same reason that you need a computer and wi-fi access - this is the age in which we live! Walk around any major city and you'll find more than just a few folks with faces glued to their smartphone screens. According to recent reports, **40% of users' internet time is spent on mobile devices**, which means simply ignoring the rise of mobile just isn't an option.

- **80% of mobile device time** is spent on apps, with game apps eating up the largest percent of app time
