Ajayi, 2024-07-25 The focus here is Nigeria and cybercrimes cybersecurity threats and response cyber education and general cyberworkings in the cyber world that we all are part of because living in a digitally inclusive world has made our personal information vulnerable to hackers governments advertisers and indeed everyone In an increasingly interconnected world where the digital realm intertwines with every facet of our lives the significance of cybersecurity cannot be overstated This book which focuses on cybercrimes cybersecurity threats and response cyber education and general workings in the cyber world depicts how technology has not only ushered in unprecedented opportunities but also exposed the world to new and evolving threats that transcend borders and boundaries Hon Justice Alaba Omolaye Ajileye Rtd Visiting Professor National Open University of Nigeria HQ Jabi Abuja FCT Nigeria

The Black Magic Gbless Amadi, 2023-08-02 Black magic also known as dark magic is a form of magic that is used to harm or manipulate other people While it has been practiced for centuries in various cultures many people view it as a fraudulent activity This is because black magic practitioners often prey on vulnerable people and exploit their fears and desires for profit One of the most common ways that black magic is used in fraudulent activity is through love spells Many people turn to black magic practitioners when they are struggling with relationship issues or seeking love These practitioners offer to cast love spells that will make the person they desire fall in love with them or return to them However these spells are often fake and the practitioners take advantage of the person's vulnerability to extract large amounts of money from them

Cybercrime, Digital Forensic Readiness, and Financial Crime Investigation in Nigeria Robinson Tombari Sibe, Christian Kaunert, 2024-03-26 Nigeria has become one of the hotbeds of cybercrime since the liberalization of the telecommunication industry began in 1996 The scale and magnitude have been quite disturbing not just for Nigeria but also for the international community given the limitless boundaries of cybercrime Like any other type of fraud Internet fraud is primarily driven by financial gains This book investigates the extent of the lack of digital forensic resources in Nigeria's financial crime agencies It is vital to have a proper resource inventory and capabilities to successfully confront the growing threat of financial crimes While a few studies have suggested the lack of forensic capabilities in Nigerian cybercrime investigative agencies and the justice system none have examined this in great detail particularly in relation to specific skills gaps and resources needed in Nigeria's financial crime agencies This book contributes to the growing body of knowledge and clarifies the scope of the lack of digital forensic resources Understanding the extent of the deficiency and its impact on caseloads could be crucial for developing a roadmap toward building forensic readiness and capability maturity for the agencies This book presents the deficiencies in forensic readiness and recommends measures to fill this gap This book also examines the specifics of the cybercrime caseloads and conviction records in Nigeria identifying trends and patterns The book explores other cybercrime complexities in Nigeria such as common cybercrime taxonomies prosecution and conviction

dynamics juxtaposing it with select case studies in other jurisdictions Drawing on extensive research the book offers crucial insights for policymakers researchers and the public interested in new trends in cybercrime digital forensic readiness Nigerian financial crime agencies and cybercrime investigations "419" Andrew Stevens,2006 The various forms of Advance Fee Fraud make up a five billion US dollar 1996 figures now much more worldwide scam which has run since the early 1980s under successive governments of Nigeria It is generally referred to as 419 Fraud Four One Nine or The Nigerian Connection This book describes the problem its origins extent and various permutations I have drawn on my own experiences of being defrauded by 419 scammers as well as those of other such victims Hopefully it will prevent others from becoming embroiled in these scams The Advance Fee Fraud is perpetrated by enticing the victim with a bogus business proposal which promises millions of US dollars as a reward Most of these scams involve requests to help move large sums of money from one part of the world to another with the promise of a substantial share of the cash in return *Electronic Tribes* Tyrone L. Adams,Stephen A. Smith,2009-06-03 Whether people want to play games and download music engage in social networking and professional collaboration or view pornography and incite terror the Internet provides myriad opportunities for people who share common interests to find each other The contributors to this book argue that these self selected online groups are best understood as tribes with many of the same ramifications both positive and negative that tribalism has in the non cyber world In *Electronic Tribes* the authors of sixteen competitively selected essays provide an up to the minute look at the social uses and occasional abuses of online communication in the new media era They explore many current Internet subcultures including MySpace com craftster org massively multiplayer online role playing games MMORPGs such as World of Warcraft music downloading white supremacist and other counterculture groups and Nigerian e mail scams Their research raises compelling questions and some remarkable answers about the real life social consequences of participating in electronic tribes Collectively the contributors to this book capture a profound shift in the way people connect as communities formed by geographical proximity are giving way to communities both online and offline formed around ideas **The African Informal Economy** ,2024-06-17 The informal sector is a vital sustainer of the African economy employing more than 60% of sub Saharan Africans The book examines diverse segments of the informal sector putting into consideration their structure dynamics resilience and gender issues Chapters are based on empirical research on women in the transport sector vehicle maintenance artisanship graduates in the informal sector COVID 19 and the informal economy Other chapters focus on the indigenous usury finance system coconut oil production herbal medicine and the gig economy across countries including Nigeria Kenya Ghana Togo and Burkina Faso **Nigerian White Collar Crime** United States.
