

Choice Book One-Pager Requirements

A one-pager is a creative response to your learning experiences. It allows you to respond imaginatively while being brief and concise in making connections between words and images. We think about what we see, read, and hear differently when we are asked to do something with what we have seen, read, or heard. We learn best when we create our own ideas. Your personal thinking about what you have experienced should be understood by the audience that views your one-pager.

Follow this format for your one-pager:

- ☐ Use the paper provided.
- ☐ Title the one-pager appropriately to reflect the content.
- ☐ Use colored pens, pencils, or markers. The more visually appealing it is the more your peers will learn.
- ☐ Fill the entire page.
- ☐ Be purposeful about the arrangement of your one-pager. For example, have a reason for using a certain color or for placing an object in a certain place.
- ☐ Write two quotations from the text. Use the proper grammatical format.
- ☐ Use three visual images to create a central focus to your page.
- ☐ Place five essential vocabulary words/phrases around the images. These terms/words/phrases should express the main ideas, your impressions, feelings, or thoughts about what you have seen, read, or heard.
- ☐ Write the main idea of the reading.
- ☐ Write two level 2 or 3 questions and answer them.
 - ☐ Level 2 questions - analyze/inference (ex ask how or ask why) - there is no direct answer provided in the text and you must *think about/make inferences* to find an answer
 - ☐ Level 3 questions - synthesis - no right or wrong answers - the answer goes beyond the text to consider a real-world perspective
- ☐ Put a symbolic border around the edges of the page.
- ☐ Write your name on the back.
