Unmasking the Cults Alan W. Gomes, 2009-12-15 In this introduction to the Zondervan Guide to Cults and Religious Movements Dr Gomes defines the characteristics of a cult of Christianity and why such a group subverts the search for spiritual truth He explains the emotional and spiritual appeal of cults who is susceptible and the techniques cult leaders use to attract members This book in dealing with a wide range of issues relating to cults and religious movements in general complements the other books in the series all of which focus on specific religious groups Why this series This is an age when countless groups and movements old and new mark the religious landscape in our culture leaving many people confused or uncertain in their search for spiritual truth and meaning Because few people have the time or opportunity to research these movements fully these books provide essential information and insights for their spiritual journeys Except for this book each book in the series has five sections A concise introduction to the group An overview of the group's theology in its own words Tips for witnessing effectively to members of the group A bibliography with sources for further study A comparison chart that shows the essential differences between biblical Christianity and the group The writers of these volumes are well qualified to present clear and reliable information and help us discern religious truth from falsehood

The Kingdom of the Cults Handbook Walter Martin, Jill Martin Rische, 2020-01-07 False religions abound in the

US and beyond and Christians need information they can trust Since the 1960s The Kingdom of the Cults has been a trustworthy well researched resource on this topic for pastors lay leaders and other Christians The Kingdom of the Cults Handbook takes that same reliable information and pares it down into a more concise and simplified format It s perfect for everyone from Christian teachers and ministry leaders to those who just want to better understand the religion of their neighbors Covering everything from established religions like Islam and Buddhism to shifting trends in Mormonism Scientology and Wicca this book will answer your questions and help you understand and communicate the key differences between true Christianity and other belief systems Jehovah's Witnesses and the Secular World Zoe Knox,2018-01-29 This book examines the historic tensions between Jehovah s Witnesses and government authorities civic organisations established churches and the broader public Witnesses originated in the 1870s as small loose knit groups calling themselves Bible Students Today there are some eight million Witnesses worldwide all actively engaged in evangelism under the direction of the Watch Tower Society The author analyses issues that have brought them global visibility and even notoriety including political neutrality public ministry blood transfusion and anti ecumenism It also explores anti Witness discourse from media portrayals of the community as marginal and exotic to the anti cult movement Focusing on varied historical ideological and national contexts the book argues that Witnesses have had a defining influence on conceptions of religious tolerance in the modern world **Oxford Handbook of Anaesthesia** Keith Allman,Iain Wilson,2011-09-25 The bestselling Oxford

Handbook of Anaesthesia has been completely updated for this new third edition All chapters have been rewritten and a number of new authors have been brought on board to add their expertise and knowledge Additional new material includes regional anaesthesia and a comprehensive section on anaesthesia for interventional radiology a rapidly expanding field of medical practice with particular implications for anaesthesia Key sections cover preoperative issues affecting the administration of anaesthesia and techniques employed in the individual surgical specialties The book provides practical advice covering the impact of medical disease on anaesthesia and separate comprehensive sections on paediatric and obstetric anaesthesia are also included The management of emergencies arising during anaesthesia is fully covered with helpful action plans and algorithms throughout Uncommon conditions and their management are included and there is an extensive drug formulary and guide to infusion drugs As with the previous editions this new edition will be the essential handbook for anaesthetists both junior and experienced for trainees sitting exams as well as ODPs and nurses involved in theatre area work and pre assessment It is the one book for anyone working in anaesthesia to keep to hand at all times

The Routledge Handbook of Post-Prohibition Cannabis Research Dominic Corva,Joshua Meisel,2021-09-06 The place of cannabis in global drug prohibition is in crisis opening up new directions for socially engaged cannabis research The Routledge Handbook of Post Prohibition Cannabis Research invites readers to explore new landscapes of cannabis research under conditions of legalization with not after prohibition post prohibition The chapters are organized into five

multidisciplinary sections Governance Public Health Markets and Society Ecology and the Environment and Culture and Social Change Case studies from the United States Uruguay Morocco and the United Kingdom show readers alternative ways of thinking about human cannabis relationships that move beyond questions of legality and illegality Representing a cross section of cannabis scholarship the contributors provide readers with critical perspectives on legalization that are not based upon orthodoxies of prohibition While legalization signals a global shift in the legitimacy of cannabis research this collection identifies openings for academics policy makers and the public interested in ending the drug war as well as a way to address broader social problems evident in the age of neoliberal governance within which prohibition has been entangled
