Easy Organic Gardening Lee A. Saunders, 2015-12-27 For some people gardening is a passion Some people garden just as a hobby For still others it's a way to feed their families We think Shirley Mac Claine's character in Steel Magnolias said it best Because that's what Southern women do we wear funny hats and grow things in the dirt You don't have to be from the South or be a woman or even wear a funny hat to enjoy gardening The thrill of seeing your first red ripe tomato or watching your first stalk of corn reach from the ground can be an amazing experience for many people Gardening is also a great way to provide healthy food for you and your loved ones When you buy produce from the store it just isn't the same as presenting a salad to your family that came

exclusively from your garden worked by your own two hands Many people choose to garden so they can have control over what type of food they eat without fear of chemicals or preservatives Often commercially grown produce is cultivated in greenhouses with the use of pesticides and chemicals to enhance their growth A quick study on these types of artificial applications can be unnerving for anyone The side effects of chemical pesticides on the human body can truly take its toll So many people are jumping on the organic bandwagon as a way to minimise the risks to themselves and their loved ones that often comes with commercially prepared foods You don't have to be a health nut to embrace organic gardening Imagine the wonderful way you'll feel knowing that you are serving foods that were grown all naturally without the risks that come from applying chemical fertilisers and pesticides It's easier than you think If you've been gardening for years or are just beginning to grow your own food organic gardening can provide you with peace of mind and pride in your produce Don't have any clues how to start That's why you're reading this book We will explore the advantages of organic gardening as well as the best way to begin your all natural garden We'll give you ideas about mulching weed control and composting Plus we'll give you some ideas on all natural pest controls and ways to make sure your garden thrives without chemicals Enjoy your ebook EASY ORGANIC GARDENING      *The Organic Gardener's Handbook of Natural Pest and Disease Control* Fern Marshall Bradley, Barbara W.
