Using Web 2.0 and Social Networking Tools in the K-12 Classroom Beverley Crane, 2012-04-30 Here s a book that describes Web 2 0 tools in depth models Web 2 0 tools through classroom examples explains how to get started with each tool presents

practical unit plans illustrating the use of Web 2.0 in the K-12 content area curricula and identifies and describes what tools are most useful to educators for networking productivity and insight into the technologies. Part 1 of each chapter answers many questions you will have about Web 2.0 and social networking tools: What is the tool? Why use it with students? How are K-12 classrooms using the tool? Can you provide me with specific examples for my science, history, or language arts curriculum? Part 2 describes specific tools and the steps to get started. Part 3 contains a detailed sample unit plan, teacher exercises, and a summary. Following screen shots of websites are used to make the advice straightforward and easy to understand. You will find an entire chapter on special instruction for ESL students with objectives, tools, and K-12 classroom examples. To help you implement Web 2.0 tools beyond the curriculum, there is even a chapter devoted to technology tools specifically designed for teachers and librarians to use for personal productivity, communication, and collaboration. The conclusion offers ideas for integrating Web 2.0 in art, music, and health. Exciting examples of the book's contents include: Collaborating and Communicating with Blogs; Creating Multidisciplinary Wikis; Google Tools Enhancing Instruction in the Science Curriculum; K-12 Classrooms Join the Social Networking Revolution; Using VoiceThread and Video to Improve Language Development; Creating Community. In addition to the great content you will find in the book, *Using Web 2.0 and Social Networking Tools in the K-12 Classroom* features a companion Web site that provides the most current curriculum examples from pioneering educators around the world, as well as up-to-date exercises and lessons in subject areas and grade levels. [The Practice of Field Instruction in Social Work](#) Marion Bogo, Elaine J. Vayda, 1998-01-01. This book is designed to guide social workers in their work as field instructors. It is unique in that it presents a conceptual system that unites social work theory taught in the classroom to actual practice in a variety of community settings. This system gives the field instructor a model to guide the student through a process that focuses attention on common elements of all social work practice situations. Many examples are presented to illustrate the application of this process. *The Practice of Field Instruction in Social Work* is an invaluable text for anyone preparing to become a field instructor, for current field instructors, and for faculty members responsible for field coordination. The information presented here is based on current research and teaching experience. The model presented in the book has been used with success in undergraduate and graduate programs throughout Canada and other countries.
