*Making it Right* Stephen N. Gaiski,2009     Lemon-Aid New and Used Cars and Trucks 2007-2017 Phil Edmonston,2017-03-11 Steers buyers through the the confusion and anxiety of new and used vehicle purchases like no other car and truck book on the market Dr Phil along with George Iny and the Editors of the Automobile Protection Association pull no punches     **The Difference** Scott E. Page,2008-08-11 In this landmark book Scott Page redefines the way we understand ourselves in relation to one another The Difference is about how we think in groups and how our collective wisdom exceeds the sum of its parts Why can teams of people find better solutions than brilliant individuals working alone And why are the best group decisions and predictions those that draw upon the very qualities that make each of us unique The answers lie in diversity not what we look like outside but what we look like within our distinct tools and abilities The Difference reveals that progress and innovation may depend less on lone thinkers with enormous IQs than on diverse people working together and capitalizing on their individuality Page shows how groups that display a range of perspectives outperform groups of like minded experts Diversity yields superior outcomes and Page proves it using his own cutting edge research Moving beyond the politics that cloud standard debates about diversity he explains why difference beats out homogeneity whether you re talking about citizens in a democracy or scientists in the laboratory He examines practical ways to apply diversity s logic to a host of problems and along the way offers fascinating and surprising examples from the redesign of the Chicago El to the truth about where we store our ketchup Page changes the way we understand diversity how to harness its untapped potential how to understand and avoid its traps and how we can leverage our differences for the benefit of all     *Popular Science* ,2007-05 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better     **Lemon-Aid Used Cars and Trucks 2012-2013** Phil Edmonston,2012-05-19 Lemon Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car and truck books on the market U S automakers are suddenly awash in profits and South Koreans and Europeans have gained market shares while Honda Nissan and Toyota have curtailed production following the 2011 tsunami in Japan Shortages of Japanese new cars and supplier disruptions will likely push used car prices through the

roof well into 2012 so what should a savvy buyer do The all new Lemon Aid Used Cars and Trucks 2012 2013 has the answers including More vehicles rated with some redesigned models that don't perform as well as previous iterations downrated More roof crash worthiness ratings along with an expanded cross border shopping guide A revised summary of safety and performance related defects that are likely to affect rated models More helpful websites listed in the appendix as well as an updated list of the best and worst beaters on the market More secret warranties taken from automaker internal service bulletins and memos than ever

**Intellectual Property, Competition Law and Economics in Asia** R Ian McEwin, 2011-10-07 This book results from a conference held in Singapore in September 2009 that brought together distinguished lawyers and economists to examine the differences and similarities in the intersection between intellectual property and competition laws in Asia The prime focus was how best to balance these laws to improve economic welfare Countries in Asia have different levels of development and experience with intellectual property and competition laws Japan has the longest experience and now vigorously enforces both competition and intellectual property laws Most other countries in Asia have only recently introduced intellectual property laws due to the Trade Related Aspects of Intellectual Property Rights TRIPS Agreement and competition laws sometimes due to the World Bank International Monetary Fund or free trade agreements It would be naive to think that laws even if similar on the surface have the same goals or can be enforced similarly Countries have differing degrees of acceptance of these laws different economic circumstances and differing legal and political institutions To set the scene Judge Doug Ginsburg Greg Sidak David Teece and Bill Kovacic look at the intersection of intellectual property and competition laws in the United States Next are country chapters on Asia each jointly authored by a lawyer and an economist The country chapters outline the institutional background to the intersection in each country discuss the policy underpinnings theoretically as well as describing actual policy initiatives analyse the case law in the area and make policy prescriptions
