Tall Tales, Taller Tales, and Out and Out Lies Sandy Walker Iii,2009-08 Most of these stories are true Some are fabrications The Gun Show is one It is a loose interpretation of an event If you are familiar with the event you will understand the satire The stories such as The Great Possum Slayer tell of a hunting adventure We are all guilty of doing something to a friend in the name of fun The night Before Christmas describes a practical joke that turned out better than planned Several stories as an example BB S Bumblebees reflect on our desire to imitate our parents Several of the stories convey a safety message The Hazards of Plastic Bullets is an example that shows what can happen in the blink of an eye when we choose to disregard a simple safety statement Some of the stories deal with older people and a time not so long ago These people believed that you took care of your problem You will notice in these stories the problem would have gone away or been taken care of long before law enforcement could arrive With our modern communications we can now summon the Calvary in an instant It has not been too long ago that this was not the case in a lot of areas of our great nation The Letter is an adaptation of a letter I want read at my funeral Surprise fear courage fortitude and a child s belief that they are bullet proof are all expressed in stories in this book A book of this nature easily causes us to reflect on our lives and events that have slipped into our fading memory If this book reminds a single individual of any similar events in their past makes them a safer individual or makes them laugh it will have succeed in its purpose beyond expectations
