Still Open All Hours Graham McCann, 2014-10-30 From its first episode in 1973 *Open All Hours* was an instant hit. Audiences around Britain loved its familiar setting, good natured humour and the hilarious partnership of Ronnie Barker and David Jason. Whilst it only ran for 26 episodes it firmly cemented itself as a British comedy classic. To celebrate the 40th anniversary of the show in 2014 the BBC revived it for a one off Christmas Special. *Still Open All Hours* was swamped by a tsunami of audience affection and the BBC promptly commissioned a full series. The first episode of the fifth series is expected to air in late 2014. With recollections from David Jason, his fellow cast members and from the scriptwriter Roy Clarke plus never before seen BBC archive material, acclaimed popular TV historian Graham McCann tells the inside story of this very British sitcom with wit, insight and affection.

Touched by Bipolar Joss Smith Wesson, 2015-10-14 I find this book a beautiful piece of retrospective writing full of sensitive insight and tender descriptions. The introduction is quite breathtaking as an anticipation of the events that will come later and is also a glimpse into the author's thoughts and especially his character. The introduction is also important in the way that it starts the question about the arrogance of society in relation to the painful misfortune of a person enduring a so called mental illness. Society lifts its shield of indifference in order to build its precarious opulence out of the pain of the mentally ill person. I became familiar with the way that events are communicated so powerfully and particularly enjoyed witnessing the journey through the hardships and wonders of the author's adolescence in Africa. I was taken by the miracle of his description of the mysterious landscapes and places that inhabit his many memories. His work in various farms, weekends with friends, the awakening of love, his impressions of the Zulu workers and the motorbike, all early memories that have a mix of innocence and candid enthusiasm colored by tender sensuality. The episode with the girls in the bus leaves the impression of being at one with the author in being fully aware of the experience while being acutely conscious of his feelings and meanings. In another chapter I found myself dramatically touching his experiences as a schoolboy in England and the difficulties of learning and relearning the peculiarities of the culture and the feelings of vulnerability finding his place in a foreign country. The author shows a lot of courage enduring this moment in his life. Another one of my favorite chapters was the unforgettable journey across Australia as a hitchhiker. A journey colored by freedom and friendship. Everything in the book is an anticipation of the author's meeting with Belinda. All women including Beauty are only affinities that have led to the real essence of love. All preparations for it. It is not difficult to understand the author's good fortune at being capable of holding in his mind and dreams the power of love and to be loved by a woman. This is the heart of the book. The mix of styles and poetry is powerful. Strength of the book. Many great authors have tried these combinations. Goethe, Emerson, Flaubert and even Shakespeare with amazing aesthetical results. The poet knows the language of the spirit. Life and death, love and sadness, loneliness are all mystical reflections which are the nourishments of the poems. All elements of the author's reality are beautifully drawn in a rhythmic space. This book travels

beyond the intentions of comprehension of a medical condition The mental pain experienced during the outbreak of depression is the material which gives birth to a reflective piece of art Beauty comes from unexpected sources and this book is about the beauty of life **Oxford Treasury of Sayings and Quotations** Susan Ratcliffe,2011-10-13 Contains quotations proverbs and phrases from throughout history and around the world grouped by topic in over four hundred alphabetically arranged categories from Ability to Youth Includes a list of themes and a keyword index **Here Comes The Clown** Dom Joly,2015-05-21 In 2004 Dom Joly wrote a spoof autobiography called Look At Me Look At Me In Here Comes the Clown he takes up the story of his life from 14th January 2000 when the very first episode of Trigger Happy TVaired on Channel 4 and everything changed for him Suddenly he was famous reality was weirder than any fiction he could conjure up This is the story of what happened next through snippets of recollections from his adventures in showbusiness **Another Sheep To Be Shorn** Simon Brown,2019-08-02 Simon Brown is an ordinary working Man yet with his decision to be a Respondent in Person the UK Family Courts and his Wife s hoard of Credit Funded Family Lawyers subjected him to a near 4 Year Divorce wrangle over his only real asset his Home With incredible humour Simon takes the reader through his early and married life and then the farce of the Divorce Proceedings ANOTHER SHEEP TO BE SHORN MEN AND DIVORCE is a sad yet very funny breeze through the life and courtroom dealings of an everyday working class man pulled through the gun barrel of the Family Court in what Simon himself describes as a System Run by Women for Women Peter Sutcliffe Chris Cook,2024-09-30 This book gives the most up to date story of the serial killer Peter Sutcliffe AKA the Yorkshire Ripper His confessions to police in 1981 and his later confession in 1992 to two further attacks are gone into in greater detail than ever before as are attacks on women that the police later felt they had enough evidence to charge him with We also delve deep into the police investigation and highlight the many failings of the West Yorkshire Police Force and the many times Peter Sutcliffe should have been caught Using Home Office files that the author had released under the FOI Act at the National Archives this is the true story of the Yorkshire Ripper and the 32 girls and women whose lives he affected forever In researching this book the author contacted some of the those whose lives were affected by Sutcliffe One of those Mo Lea kindly agreed to write the foreword for the book having read it in full This book is a very valuable contribution knocking all the other books out there about Sutcliffe well off the shelf This is a very thorough and incredibly well researched account of the murders and attacks of Peter Sutcliffe Chris has produced a comprehensive report that is the best reference book on Peter Sutcliffe s killing spree Aspects of the consequences of the investigation are laid bare clearly underlining where procedures went wrong especially relating to how the police took John Humble s hoax seriously Chris provides insight with an intelligent overview of how the findings of the Byford and Sampson Reports show how the West Yorkshire Police mishandled the investigation Compact condense and a valuable read to anyone interested in his crimes Mo Lea survivor of an attack by Peter Sutcliffe *Two Centuries of Shoemaking* Ken Holmes,1992 The story of Start rite Shoes of Norwich the oldest footwear manufacturing company in

England **Melancholy Star** Dr John Carter, 2011-06-01 Description This is the real life story of John Carter's experience of living with depression. It is not a step by step guide to beat depression. Rather this is the actual story of how one person living with depression gets through his days and long nights coping with suicidal thoughts that are never too far away. The chapters are written in chronological order through the author's school years, his first work experiences and his arrival to and subsequent departure from university at the age of 30. In the last two chapters the author writes about the rollercoaster of numerous counselling sessions and about his hopes and dreams for the future. About the Author John Carter is 35 years of age and lives in a small flat with his cat in Nottingham. He currently works part time as a reader and reviewer of books for a literary agency because he loves reading as it takes him away from the hardships of real life and it gives him something to look forward to each day. **Catalog of Copyright Entries** Library of Congress. Copyright Office, 1971 **Sir David**

Jason - A Life of Laughter Stafford Hildred, Stafford Hildred & Tim Ewbanks, 2012-09-03 David Jason is Britain's best loved star. From his wonderful characterisation of Del Boy in *Only Fools and Horses* to Detective Jack Frost and Mr Micawber, he has captured the heart of a nation. This remarkable biography traces the life of Britain's favourite actor from his humble roots in north London through his days as an electrician to Sir David Jason, the icon we all know and love. Recruited to an early Monty Python project for his masterful sense of timing, David soon attracted the attention of Ronnie Barker with whom he appeared in episodes of the classic BBC comedy series *Porridge* and *Open All Hours*. He has gone on to create many of television's popular and enduring characters, earning numerous accolades including the Royal Television Society's Award for Best Actor, a Top Television Comedy Actor at the British Comedy Awards and a BAFTA fellowship for his outstanding contribution to television. He also received the ultimate tribute in 2005, a knighthood from the Queen. Revealing the man behind Del Boy, Pop Larkin and Jack Frost, this authoritative biography offers valuable insight into his life and loves, covering the tragic loss of his partner of eighteen years, Myfanwy Talog, and the joy of his secret wedding to new love Gill Hinchcliffe and the birth of their daughter, Sophie Mae. It paints a complete portrait of one of England's funniest and most talented actors, a true national treasure. **A Do You Remember Book, Television** Burton Graham, 1974 **A Life of Snakes and Ladders**

P. Lanquar, 2005 The writer's thoughts, feelings, comments, letters, dreams and stories have been recorded over a period of more than twenty years. Through these revelations, one can follow a coarse thread which has at times been broken and tied together again. Written in diary format, he touches on sex, religion, astronomy, astrology, birth and death, as well as a whole range of emotions from anger and hate to love. Never intending this collection to be read by others, it comes across very intimately and with a fair amount of humour. This certainly shows how the dice have fallen in his life of *Snakes and Ladders*.

Funny Paul Griffin, 2015-12-12 Funny, amusing, baffling, Crazy. A collection of real life short amusing stories. The book is in three sections: Miscellaneous stories, Tales from Paul's time as a partner in a recording studio in south London featuring some of the fascinating characters he encountered, and Colonel Rage, Retired, a persona who hates modern life and views

everything as a military man A unique book in its own right but influenced by the authors comedy heroes Spike Milligan Peter Cook The Goons more recently Ricky Gervais The humour is dry sometimes black and occasionally a bit silly but hopefully always entertaining Are you ready to enter the Crazy World of Funny The Spectator ,2007 **All in the Best Possible Taste** Tom Bromley,2010-08-19 Television past as LP Hartley might have once said is another country And in the early 1980s it certainly was a different beast There were still only three channels to watch the evening s programmes finished with the playing of the national anthem and the biggest prize on TV was not Chris Tarrant s million pounds but a speedboat on Bullseye But as Tom Bromley suggests in this funny and warming memoir all that was about to change The 1980s saw the end of the original golden era of television and the beginnings of TV as we know it today In 1982 Channel 4 became the first new terrestrial channel for almost twenty years and by the end of the decade Rupert Murdoch s Sky Television was vying to become Britain s first multi channel provider The result of all this was that slowly but surely British viewers had more choice than ever before and the cost of this choice was the erosion of television as a shared national event And no one felt this change more deeply than Tom Bromley Television played a large part in Tom s childhood His first word was two as in BBC Two and his earliest childhood memory is seeing Johnny Ball at a church fete With great humour and affection Tom Bromley tells the story of a childhood spent with his three siblings and that other all important family member the television set **Tales from the Cult Film Trenches** Louis Paul,2014-11-29 From movie villains to scream queens here are interviews with 36 actors and actresses familiar to fans of sixties and seventies cult cinema Interviewees include the well known David Carradine Christopher Lee the relatively obscure Marrie Lee sex symbols Valerie Leon surfers who became movie stars Don Stroud and action heroes Fred Williamson among many others Each interview is accompanied by a biography and filmography
