Cable Vision, 1988 **Stuntwomen** Mollie Gregory, 2015-11-19 Gives voice to the women who have risked their lives for a few perilous moments on the big screen A fascinating look at a risky profession The Washington Post They ve traded punches in knockdown brawls crashed biplanes through barns and raced to the rescue in fast cars They add suspense and drama to the story portraying the swimmer stalked by the menacing shark the heroine dangling twenty feet below a soaring hot air balloon

or the woman leaping nine feet over a wall to escape a dog attack Only an expert can make such feats of daring look easy and stuntwomen with the skills to perform and survive great moments of action in movies have been hitting their mark in Hollywood since the beginning of film Here Mollie Gregory presents the first history of stuntwomen in the film industry from the silent era to the twenty first century In the early years of motion pictures women were highly involved in all aspects of film production but they were marginalized as movies became popular and more important profitable Capable stuntwomen were replaced by men in wigs and very few worked between the 1930s and 1960s As late as the 1990s men wore wigs and women s clothes to double as actresses and were even painted down for some performances while men and women of color were regularly denied stunt work For decades stuntwomen have faced institutional discrimination unequal pay and sexual harassment even as they jumped from speeding trains and raced horse drawn carriages away from burning buildings Featuring sixty five interviews Stuntwomen showcases the absorbing stories and uncommon courage of women who make their living planning and performing action packed sequences that keep viewers hearts racing

Love and the Fighting Female Allison P. Palumbo,2020-08-06 The fighting female archetype a self reliant woman of great physical prowess has become increasingly common in action films and on television However the progressive female identities of these narratives cannot always resist the persistent and problematic framing of male female relationships as a battle of the sexes or other source of antagonism Combining cultural analysis with close readings of key popular American film and television texts since the 1980s this study argues that certain fighting female themes question regressive conventions in male female relationships Those themes reveal potentially progressive ideologies regarding female agency in mass culture that reassure audiences of the desirability of empowered women while also imagining egalitarian intimacies that further empower women Overall the fighting female narratives
