Corporate Governance and China's H-share Market Alice De Jonge, 2008-01-01. Using detailed case studies of the first nine mainland Chinese companies to be listed on the Hong Kong stock exchange 1993-94, Alice de Jonge examines the evolution of corporate governance law and culture in China's H-share market. A story emerges not of tensions between ideas of corporate governance from two different legal systems, Hong Kong vs mainland Chinese, nor about legal convergence as China adopts concepts from Anglo-American jurisdictions. Rather, it is a story of individual firms being pragmatic in mediating the different agendas of state agencies that own or control them.
