100. Explain the main components of a business plan and how they are used to communicate the business plan to stakeholders.
101. The "business plan" is a document that describes the business and its goals. It is a plan for the future. It is a document that describes the business and its goals. It is a plan for the future. It is a document that describes the business and its goals. It is a plan for the future.
102. All other things being equal, a business plan that is written by a professional is more likely to be successful than one that is written by a non-professional. Explain why this is the case.
