Pivot Points Five Decisions Every Successful Leader Must Make:

Pivot Points Julia Tang Peters, 2014-05-27 A Roadmap for Transforming Ambition into Achievement In the sea of thrown together stereotypical leadership advice Julia Tang Peters Pivot Points stands out like a beacon This book is not the result of trite 10 step recipes or unstudied observations Instead its source is in depth research conducted among some of the country s most effective leaders Intimate interviews and broad survey data reveal that the leaders who stand out are the ones who fearlessly face the decisions that characterize career turning points Amazingly the people who break through barriers to transform industries encounter and effectively confront the same five critical decisions In Pivot Points you ll read how five inspiring and approachable leaders made the choices that cemented their legacies Pivot Points is a unique opportunity to learn from the leaders you should learn from authentic independent minded people with a genuine desire to help others understand how to lead Tools developed from their candid accounts will help you measure and assess your own career trajectory With a self diagnostic questionnaire based on the book s unique framework you ll be able to identify warning signs of stagnation and sustain the passion to achieve Gain practical insights from this valuable aid for professional development of high achievers in every career stage Pivotal decisions can turn an ordinary career into an extraordinary journey to success The journey is a highly individual one and Pivot Points will inspire and guide you in the processes of finding your own path to exceptional results Take a rare look into the process of shifting from the science of management to the art of leadership and let this one of a kind book propel you toward achieving your best self *Pivot Points* Julia Tang Peters, 2014

Let the Story Do the Work Esther Choy, 2017-07-30 People forget facts but they never forget a good story Let the Story Do the Work shows how the art of storytelling is key for any business to achieve success For most there s nothing easy about crafting a memorable story let alone linking it to professional goals However material for stories and anecdotes that can be used for your professional success already surround you To get people interested in and convinced by what you are saying you need to tell an interesting story As the Founder and Chief Story Facilitator at Leadership Story Lab a company that helps executives unlock the persuasive power of storytelling Esther Choy teaches you how to mine your experience for simple narratives that will achieve your goals In Let the Story Do the Work you can learn to Capture attention Engage your audience Change minds Inspire action Pitch persuasively When you find the perfect hook structure your story according to its strengths and deliver it at the right time in the right way you ll see firsthand how easy it is to turn everyday communications into opportunities to connect gain buy in and build lasting relationships From School Delusion to Design Peter A

Barnard, 2015-03-17 This book explains how school organization by age grade alone sets schools on a factory course that is harmful and ultimately self defeating to all involved and to ecology It returns us to three systems thinking concepts purpose measures and method The book explains why school managers and administrators are deluded by the system they operate and by how they understand complexity the variety of value demand on the system or what people need to be able to draw

down to make progress This book returns us to the fundamental confusion of purpose It involves revisiting our interpretation of human psychology and its application in the workplace seeking out flaws in our organizational thinking and finding the best means of putting us back in touch with who we are our thinking selves The answer or at least its start is Vertical Tutoring Vertical Tutoring mixed age groups is the first domino of a redesign process It changes all learning relationships and through personalization and it is this that drives the management task It is the first domino needed for better systemic change and ensures that parents students and everyone employed by the school is involved in learning For school leaders parents teachers and students this means redesigning the way school management works identifying values driven purposes from the customers perspective and the roles stakeholders play in trying to make the work work In short this book cuts through the dross of the great education debate and offers a better more innovative and safer way forward and at no cost

Unprecedented Leadership John Colley, Dimitrios Spyridonidis, 2022-05-27 If we've learnt anything this decade it's that paramount to being a good leader is the ability to lead and manage through a crisis The best leaders will be able to look directly into the heart of the storm and re-imagine their organizations to ultimately foster new growth Taking a step by step approach this book guides readers in identifying the severity and potential implications of a crisis situation tackling core topics such as Crisis leadership Decision making Ethical responsibility Change management initiatives Communication Leadership development Coaching Grounded in cutting edge theory and combined with engaging real world case studies and practical exercises this is an indispensable guide for MBA and Executive students In fact this book is ideal reading for anyone who is looking to develop their leadership skills in the most pragmatic and progressive ways **American Business**, 1954
