STAR

AUTHOR OF SO MUCH TO LEARN

Private Lives
Public Property

Praise for *So Much to Learn*: "Massive is not a big enough word to describe the amount of joy I get from reading this story, with all its beautifully written dialogue...that includes all kinds of wit and emotion."
Melissa – Judge from *A Drop of Romeo*

Private Lives Public Property English Edition

Lena Zuckerwise

Private Lives Public Property English Edition:

Private Lives, Public Deaths Jonathan Strauss, 2013-07 *Private Lives Public Deaths* draws on classical studies Hegel and modern philosophical analyses to describe how Sophocles' tragedy *Antigone* expresses a key concern of ancient Greek culture the value of a living individual

Private Lives, Public Histories Rachel Corr, Jacqueline Fewkes, 2020-07-22 *Private Lives Public Histories* brings together diverse methods from archaeology and cultural anthropology enabling us to glean rare information on private lives from the historical record The chapters span geographic areas to present recent ethnohistorical research that advances our knowledge of the connections between the public and private domains and the significance of these connections for understanding the past as a lived experience both historically and in a contemporary sense We discuss how the use of different sources e.g. public records personal journals material culture the built environment letters public performances etc. can reveal different types of information about past cultural contexts as well as private sentiments about official culture and society Through an exploration of sites as varied as homes factories plantations markets and tourism attractions we address the public significance of private sentiments the resilience of bodies and gendered interactions in historical contexts In doing so this book highlights linkages between private lives and public settings that have allowed people to continue to exist within adapt to and/or resist dominant cultural narratives

Public Management and Administration Owen E. Hughes, 2017-11-10 Introducing the scope and scale of government competing approaches to the study of management in the public sector different forms of service delivery and the major topics in the subject such as strategic management leadership and performance management this book continues to be a key point of reference for lecturers and students in the field This leading text has been completely revised and updated throughout It covers the whole field of public management and administration offering discrete chapters on the main topics in the field

Landmark Cases in Privacy Law Paul Wragg, Peter Coe, 2023-02-23 This new addition to Hart's acclaimed Landmark Cases series is a diverse and engaging edited collection bringing together eminent commentators from the United Kingdom the United States Australia Canada and New Zealand to analyse cases of enduring significance to privacy law The book tackles the conceptual nature of privacy in its various guises from data protection to misuse of private information and intrusion into seclusion It explores the practical issues arising from questions about the threshold of actionability the function of remedies and the nature of damages The cases selected are predominantly English but include cases from the United States because of the formative influence of United States privacy jurisprudence on the development of privacy law Australia Canada the Court of Justice of the European Union and the European Court of Human Rights Each chapter considers the reception and application and in some instances rejection outside of the jurisdiction where the case was decided

The Life, Public Services and Select Speeches of Rutherford B. Hayes J. Q. Howard, 2019-12-20 In *The Life, Public Services and Select Speeches of Rutherford B. Hayes* J. Q. Howard meticulously chronicles the multifaceted life of the nineteenth President of the

United States With a keen eye for detail and a narrative style that balances erudition and accessibility Howard captures Hayes s evolution from a military officer in the Civil War to a reform minded leader contending with post war America s moral and political complexities The book is both a biography and a historical commentary placing Hayes s policies and speeches within the broader context of Reconstruction the Gilded Age and the shifting paradigms of American democracy J Q Howard an esteemed historian with a deep commitment to exploring lesser known figures in U S history brings a wealth of research and a passion for biography to this work His previous publications reflect a consistent interest in the intersection of personal narratives and public policy providing him with unique insights into Hayes s political philosophy and leadership style as well as the challenges he faced during a tumultuous period of American history This book is essential reading for anyone interested in presidential history American politics or the intricacies of leadership amid crisis Howard s comprehensive examination not only honors Hayes s contribution to the nation but also invites modern readers to reflect on the implications of his speeches and public service for contemporary America

Contested Paternity Rachel G. Fuchs,2008-07-25 Focusing on paternity as a category of family history *Contested Paternity* emphasizes the importance of fatherhood the family and the law within the greater context of changing attitudes toward parental responsibility

Hidden Lives, Public Personae Emily Ann Hemelrijk,2015 By its in depth discussion of women s civic roles in the towns outside Rome this study offers a compelling new vision of Roman women s integration into their communities and contributes to a more comprehensive view of civic life under the Roman Empire

Beginning Human Rights Law Howard Davis,2014-02-24 Whether you re new to higher education coming to legal study for the first time or just wondering what Human Rights Law is all about *Beginning Human Rights Law* is the ideal introduction to help you hit the ground running Starting with the basics and an overview of each topic it will help you come to terms with the structure themes and issues of the subject so that you can begin your Human Rights module with confidence Adopting a clear and simple approach with legal vocabulary explained in a detailed glossary Howard Davis breaks the subject of Human Rights Law down using practical everyday examples to make it understandable for anyone whatever their background Diagrams and flowcharts simplify complex issues important cases are identified and explained and on the spot questions help you recognise potential issues or debates within the law so that you can contribute in classes with confidence *Beginning Human Rights Law* is an ideal first introduction to the subject for LLB GDL or ILEX and especially international students those enrolled on distance learning courses or on other degree programmes

Politics in Captivity Lena Zuckerwise,2024-07-02 From the 1811 German Coast Slave Rebellion to the 1971 Attica Prison Uprising from the truancy of enslaved women to the extreme self discipline exercised by prisoners in solitary confinement Black Americans have through time resisted racial regimes in extraordinary and everyday ways Though these acts of large and small scale resistance to slavery and incarceration are radical and transformative they have often gone unnoticed This book is about Black rebellion in captivity and the ways that many of the conventional well worn constructs of

academic political theory render its political dimensions obscure and indiscernible While Hannah Arendt is an unlikely theorist to figure prominently in any discussion of Black politics her concepts of world and worldlessness offer an indispensable framework for articulating a theory of resistance to chattel and carceral captivity Politics in Captivity begins by taking seriously the ways in which slavery and incarceration share important commonalities including historical continuity In Zuckerwise s account of this commonality the point of connection between enslaved and incarcerated people is not exploited labor but rather resistance The relations between the rebellions of both groups appear in the writings of Muhammed Ahmad Angela Davis George Jackson Ruchell Magee and Assata Shakur a genre Zuckerwise calls Black carceral political thought The insights of these thinkers and activists figure into Zuckerwise s analyses of largescale uprisings and quotidian practices of resistance which she conceives as acts of world building against conditions of forced worldlessness In a moment when a collective racial reckoning is underway when Critical Race Theory is a target of the Right when prison abolition has become more prominent in mainstream political discourse it is now more important than ever to look to historical and contemporary practices of resistance to white domination

Christian Converts and Social Protests in Meiji Japan Irwin Scheiner, 2020-06-01 Nowhere has there been a discussion of the confusion necessarily generated by the rapidity of the change or of the agony created in the lives of many whose attitudes expectations and even success depended on the continuance of now abolished institutions Historians have ignored the settled conditions of most samurai and instead concentrated on the study of the minority of activist samurai leaders who with the backing of only a few Han feudal domains sought to overthrow the old order and whose success in doing so has made the study of the modernization of Japan the prime concern of historians The history of the Meiji period may have been an overall political and industrial success story but for a fuller understanding of the conditions of that success it is also necessary to understand what it was really like for the members of the old elite to be estranged from the proponents of revolution and what many members did to assure their own social and psychological position in a world they had not expected In this book the author attempts to show that the impact of the Meiji Restoration destroyed the meaningfulness of the Confucian doctrine for these declassé samurai Through Christianity the samurai attempted to revive their status in society by finding a doctrine that offered a meaningful path to power But in doing so they had to accept a new theory of social relations Ultimately as the convert s understanding of society became totally informed by the Christian doctrine they accepted a transcendent authority that brought them into conflict with society about them Therefore to understand the development of a Christian opposition in Meiji society we must begin with the conversion experience itself intro

Discover Sociology William J. Chambliss, Daina S. Eglitis, 2019-01-02 The authors are proud sponsors of the 2020 SAGE Keith Roberts Teaching Innovations Award enabling graduate students and early career faculty to attend the annual ASA pre conference teaching and learning workshop What key social forces construct and transform our lives as individuals and as members of society How does our social world shape us How do we

shape our world Discover Sociology presents sociology as a discipline of curious minds The authors inspire curiosity about the social world and empower students by providing the theoretical conceptual and empirical tools they need to understand analyze and even change the world in which they live Organized around four main themes The Sociological Imagination Power and Inequality Technological Transformations of Society and Globalization the book illuminates the social roots of diverse phenomena and institutions ranging from poverty and deviance to capitalism and the nuclear family Behind the Numbers features illustrate the practical side of sociology and shows students how to be critical consumers of social science data reported in the media And every chapter addresses the question What can I do with a sociology degree by linking the knowledge and skills acquired through studying sociology with specific jobs and career paths A Complete Teaching Learning Package SAGE Vantage Digital Option Engage Learn Soar with SAGE Vantage an intuitive digital platform that delivers Discover Sociology Fourth Edition textbook content in a learning experience carefully designed to ignite student engagement and drive critical thinking Built with you and your students in mind it offers easy course set up and enables students to better prepare for class Assignable Video Assignable Video available on the SAGE Vantage platform is tied to learning objectives and curated exclusively for this text to bring concepts to life and appeal to different learning styles SAGE Coursepacks FREE Easily import our quality instructor and student resource content into your school s learning management system LMS and save time SAGE Edge FREE online resources for students that make learning easier SAGE course outcomes Measure Results Track Success Outlined in your text and mapped to chapter learning objectives SAGE course outcomes are crafted with specific course outcomes in mind and vetted by advisors in the field

Housing the Homeless Jon Erickson, Charles Wilhelm, 2017-07-12 Homelessness has become a lasting issue of vital social concern As the number of the homeless has grown the complexity of the issue has become increasingly clear to researchers and private and public service providers The plight of the homeless raises many ethical anthropological political sociological and public health questions The most serious and perplexing of these questions is what steps private charitable and public organizations can take to alleviate and eventually solve the problem The concept of homelessness is difficult to define and measure Generally persons are thought to be homeless if they have no permanent residence and seek security rest and protection from the elements The homeless typically live in areas that are not designed to be shelters e g parks bus terminals under bridges in cars occupy structures without permission e g squatters or are provided emergency shelter by a public or private agency Some definitions of homelessness include persons living on a short term basis in single room occupancy hotels or motels or temporarily residing in social or health service facilities without a permanent address *Housing the Homeless* is a collection of case studies that bring together a variety of perspectives to help develop a clear understanding of the homelessness problem The editors include information on the background and politics of the problem and descriptions of the current homeless population The book concludes with a resource section which highlights governmental policies and programs established to deal with the

problem of homelessness **Privacy, Surveillance and Public Trust** D. Neyland, 2006-03-12 Surveillance privacy and public trust form a burgeoning presence within debates surrounding technological developments particularly in the current war on terror environment Many issues are invoked in monitoring everyday activities of the population This is a timely and detailed study of CCTV **From Max Weber** Max Weber, 1991 Max Weber 1864 1920 was one of the most prolific and influential sociologists of the twentieth century This classic collection draws together his key papers This edition contains a new preface by Professor Bryan S Turner Contextualising Narrative Inquiry Sheila Trahar, 2013 The contributors to this edited collection have all used narrative inquiry in their research into a range of topics and in a range of contexts Eleven Gods and a Billion Indians Boria Majumdar, 2018-04-06 Eleven Gods and a Billion Indians goes deep into every Indian cricket tour since 1886 taking the reader backstage to when India played its first test in 1932 and bringing the story forward to the more contemporary IPL to provide a complex and nuanced understanding of the evolution and maturity of the game Equally it comes with material that has never entered the public domain so far going behind the scenes of cases like Monkeygate the suspension of Lalit Modi spot fixing and the phase of judicial intervention It carries not just reportage and analysis but also player reminiscences personal interviews photographs and letters never known or discussed so far in Indian sporting discourse Weaving together such material Eleven Gods and a Billion Indians unflinchingly confronts questions that demand answering among them Has internal bickering impacted the on field performance of the Indian cricket team Did some of our icons fail the country and the sport by trying to conceal important facts during the spot fixing investigation And does it matter to the ordinary fan who heads the BCCI as long as there is transparency and accountability in the system In the end in telling the story of the role of cricket in colonial and post colonial Indian life and the inter relationship between those who patronize promote play and view the sport Eleven Gods and a Billion Indians unravels the story of a nation now considered the financial nerve centre of world cricket **The Shaping of Modern Britain** Eric Evans, 2014-01-14 In this wide ranging history of modern Britain Eric Evans surveys every aspect of the period in which Britain was transformed into the world's first industrial power By the end of the nineteenth century Britain was still ruled by wealthy landowners but the world over which they presided had been utterly transformed It was an era of revolutionary change unparalleled in Britain yet that change was achieved without political revolution Ranging across the developing empire and dealing with such central institutions as the church education health finance and rural and urban life The Shaping of Modern Britain provides an unparalleled account of Britain's rise to superpower status Particular attention is given to the Great Reform Act of 1832 and the implications of the 1867 Reform Act are assessed The book discusses the growing role of the central state in domestic policy making the emergence of the Labour party the Great Depression the acquisition of a vast territorial empire Comprehensive informed and engagingly written The Shaping of Modern Britain will be an invaluable introduction for students of this key period of British history Reforming the Constitution Peter Catterall, Wolfram Kaiser, Ulrike

Walton-Jordan,2014-05-12 This collection takes as its subject how and why the British constitution developed during the course of the 20th century In chapters that analyse in detail the evolution of various aspects of the constitution this work explores debates about how the constitution ought to operate and the political goods it ought to secure among politicians jurists and academics In addition it looks at the influence of political parties nationalism social and economic change European integration and the contests in over particular reforms in Parliament courts media and on the hustings British Literature and the Life of Institutions Benjamin Kohlmann,2021 Explores how late Victorian Edwardian and modernist literary texts responded and adapted to institutional change that characterized the emergence of the welfare state and links the development of the institutional forms of the state to the aesthetic forms of literary writing **Mr. and Mrs. President** Gil Troy,2000 With a new chapter devoted to Hillary and Bill Clinton s tainted partnership in office and to the present First Lady s senatorial ambitions this second edition offers fresh insights into America s paradoxical expectations for its presidential wives and husband Deeply engrossing Publishers Weekly 33 photos
