# Pro Gun Control Arguments Essay

**E Durkheim**

## **Pro Gun Control Arguments Essay:**

**The Gun Control Debate** Lee Nisbet, 2001 At the end of the twentieth century and into the twenty first highly publicized gun massacres especially in schools have maintained gun control as a hotly contested peculiarly American political and cultural debate

**An Invitation to Debate** Ben Voth, 2025-08-07 This comprehensive introductory textbook gives students the framework and tools to become great debaters and use those skills to further civil and respectful responses on contentious topics Focusing on core concepts and skills of research reasoning and argumentation with a special focus on debate rhythms the book builds students ability to express ideas and respectfully dissent ultimately improving their individual resilience in adverse circumstances and encouraging the emergence of communal values in society An Invitation to Debate takes students on a step by step preparation of case research speech composition rebuttals and resolutions It is not specific to a particular debate style allowing professors to use the book across a variety of procedural types including policy British Parliamentary Lincoln Douglas International Public Debate Association world schools and Coolidge As the most up to date debate textbook An Invitation to Debate will show students how to use AI technologies to aid but never replace their own case preparation Throughout the book students will be challenged to consider opportunities for debate to create more civil and fruitful discussion in their daily lives and on the world stage where respectful debate can break through political barriers and counteract social injustices

**In Defense of Gun Control** Hugh LaFollette, 2018-05-31 In Defense of Gun Control argues why the United States should have at least moderate and perhaps serious gun control LaFollette assesses the empirical evidence about the costs and benefits of extensive private gun ownership and proposes several specific gun control measures and urge us to employ indirect measures to limit the harm caused by guns

*Debating Gun Control* David DeGrazia, Lester H. Hunt, 2016-09-16 Americans have an ambivalent relationship to guns The debate over the role of guns and gun regulations in American society tends to be acrimonious and misinformed DeGrazia and Hunt bring the advantages of philosophical analysis to this highly charged issue in the service of illuminating the strongest possible cases for and against relatively extensive gun regulations

*Argumentation Theory and the Rhetoric of Assent* David Williams, Michael David Hazen, 2006-02-05 The themes of the essays in Argumentation Theory and the Rhetoric of Assent all coalesce around the general question When if ever is assent justified The question immediate triggers complex and multifaceted considerations of argument and ultimately power In parsing out the nature of assent the essays take diverse approaches aesthetic and symbolist rationalistic and formalistic field theory various conceptualizations of a public sphere etc Together they offer an insightful exploration of an exciting new terrain argumentation studies

**Disarmed** Kristin Goss, 2010-12-16 More than any other advanced industrial democracy the United States is besieged by firearms violence Each year some 30 000 people die by gunfire Over the course of its history the nation has witnessed the murders of beloved public figures massacres in workplaces and schools and epidemics of gun violence that terrorize neighborhoods and claim tens of

thousands of lives Commanding majorities of Americans voice support for stricter controls on firearms Yet they have never mounted a true national movement for gun control Why Disarmed unravels this paradox Based on historical archives interviews and original survey evidence Kristin Goss suggests that the gun control campaign has been stymied by a combination of factors including the inability to secure patronage resources the difficulties in articulating a message that would resonate with supporters and strategic decisions made in the name of effective policy The power of the so called gun lobby has played an important role in hobbling the gun control campaign but that is not the entire story Instead of pursuing a strategy of incremental change on the local and state levels gun control advocates have sought national policies Some 40% of state gun control laws predate the 1970s and the gun lobby has systematically weakened even these longstanding restrictions A compelling and engagingly written look at one of America's most divisive political issues Disarmed illuminates the organizational historical and policy related factors that constrain mass mobilization and brings into sharp relief the agonizing dilemmas faced by advocates of gun control and other issues in the United States

**The Second Amendment** Michael Waldman, 2015-05-26 Presents a history of the Second Amendment to illuminate its controversies debates and misapprehensions explaining its contexts and purposes while revealing how it came to represent gun ownership rights in the twentieth century

**In the Classroom** Richard M. Trimble, 1990 A short practical guide written by a veteran classroom teacher for the less experienced teacher The author believes that traditional educational methods fall short of preparing the new teacher for the realities and experience of the work a day world in the classroom This book does just that Discipline methods effective lecturing techniques efficient classroom organization and motivational techniques are among the wide variety of topics discussed A particularly useful section is a segment on over 100 ideas for your classroom This chapter contains special lessons class games and unique interest grabbing homework assignments that can be of benefit to teachers of all levels of experience and expertise

**The Informed Argument** Robert Keith Miller, 1992 *Handgun Crime Control, 1975-1976: Oversight of 1968 Gun Control Act* United States. Congress. Senate. Committee on the Judiciary. Subcommittee to Investigate Juvenile Delinquency, 1976

**Recovering Argument** Randall Lake, 2018-10-29 This volume presents the best scholarship from the 19th National Communication Association American Forensic Association Conference on Argumentation which took place July 30 August 2 2015 at Cliff Lodge Snowbird Resort in Alta Utah The Alta Conference first held in 1979 is the oldest conference in argumentation studies in the world and biennially brings together a lively group of scholars representing a variety of countries with diverse perspectives on the theory and practice of argument The essays in *Recovering Argument* invite reflection upon and reconsideration of argumentation's legacy present status and potential roles in social cultural and political life Readers will encounter essays that treat the relationship between argumentation and memory historical approaches to argumentation the vitality of public and interpersonal argument argument's role in leadership discursive and presentational forms of argument and the challenges of difference Readers also will find these

topics addressed from a variety of historical social scientific and critical interpretive perspectives     *Handgun Crime Control, 1975-1976* United States. Congress. Senate.
