## 1 - I fancy my professor!

I am 17 and a mature student at high school. There is a teacher who is about 25 and I feel something special when I see him.

However he does not even stare at me. I have tried to be nice to him but he's often rude to all the students. I really like him but because of my age, I don't know what to do.

Janice please, is that situation normal or do I need to tell him what I feel

## 2 - Hopelessly In Love

My first kiss was with a girl back in 2009. Now, almost a year later, I am still in love with her. Every time I see her, I get butterflies in my stomach, weak knees, and the cat gets my tongue.

I don't know how to go about telling her how I feel. I'm afraid I'll be rejected or lose her friendship. Janice, what should I do?
