Roberto Saviano Zero Zero Zero English Book:

ZeroZeroZero Roberto Saviano, 2016-08-30 An electrifying internationally bestselling investigation of the global cocaine trade now a series on Prime Video starring Andrea Riseborough Dane DeHaan and Gabriel Byrne from the author of the 1 international bestseller *Gomorrah* Zero zero zero flour is the finest whitest available It is also the nickname among narcotraffickers for the purest cocaine on the market And it is the title of Roberto Saviano s unforgettable exploration of the inner workings of the global cocaine trade its rules and armies and the true depth of its reach into the world economy Saviano s *Gomorrah* his explosive account of the Neapolitan mob the Camorra was a worldwide sensation It struck such a nerve with the Camorra that Saviano has lived with twenty four hour police protection for more than eight years During this time he has come to know law enforcement agencies and officials around the world With their cooperation Saviano has broadened his perspective to take in the entire global corporate entity that is the drug trade and the complex money laundering operations that allow it to function often with the help of the world s biggest banks The result is a harrowing and groundbreaking synthesis of literary narrative and geopolitical analysis exploring one of the most powerful dark forces in our economy Saviano tracks the shift in the cocaine trade s axis of power from Colombia to Mexico and relates how the Latin American cartels and gangs have forged alliances with crime syndicates across the globe He charts the increasing sophistication of these criminal entities as they diversify into other products and markets He also reveals the astonishing increase in the severity of violence as they have fought to protect and extend their power Saviano is a writer and journalist of rare courage and a thinker of impressive intellectual depth able to see connections between far flung phenomena and bind them into a single epic story Most drug war narratives feel safely removed from our own lives Saviano offers no such comfort Both heart racing and eye opening *ZeroZeroZero* is an investigative story like none other Praise for *ZerZeroZero* Saviano has developed a literary style that switches from vivid descriptions of human depravity to a philosophical consideration of the meaning of violence in the modern world Most important of all is the hope Saviano gives to countless victims of criminal violence by standing up to its perpetrators *Financial Times*

Italy beyond Gomorrah Floriana Bernardi, 2017-08-10 When Roberto Saviano published *Gomorrah* in 2006 he exposed the Camorra an organized crime network with global reach emanating from Naples This ground breaking work became an international best seller inspired a film and a new TV series The author received so many death threats from the Camorra that he remains under police protection *Italy beyond Gomorrah* investigates the conditions and modalities by which the huge media phenomenon developed around Roberto Saviano after the publication of *Gomorrah* and the ways in which this has engendered a political discourse starting from his denuncia of the mechanisms of the modern mafia and its bosses Focusing on Saviano s disruptive work and the representation of his charismatic body redefining the figure and task of the modern intellectual the book stresses the agency of literature and the relevance of the internet and major social networks in the creation of networks of subjectivities and establishing ethical

political duties which are grounded in a passional communication between the writer and his audience as well as on a micropolitics of affects Through the interpretation of Saviano s work it also provides provide a cross sectional insight into Italy in the post Berlusconi age Drug Wars and Covert Netherworlds James H. Creechan,2021-12-07 Drug Wars and Covert Netherworlds describes the history of Mexican narco cartels and their regional and organizational trajectories and differences Covering more than five decades sociologist James H Creechan unravels a web of government dependence legitimate enterprises and covert connections **The Spaces and Places of Horror** Francesco Pascuzzi,Sandra Waters,2020-01-16 This volume explores the complex horizon of landscapes in horror film culture to better understand the use that the genre makes of settings locations spaces and places be they physical imagined or altogether imaginary In The Philosophy of Horror No l Carroll discusses the geography of horror as often situating the filmic genre in liminal spaces as a means to displace the narrative away from commonly accepted social structures this use of space is meant to trigger the audience s innate fear of the unknown This notion recalls Freud s theorization of the uncanny as it is centered on recognizable locations outside of the Lacanian symbolic order In some instances a location may act as one of the describing characteristics of evil itself In A Nightmare on Elm Street teenagers fall asleep only to be dragged from their bedrooms into Freddy Krueger s labyrinthine lair an inescapable boiler room that enhances Freddie s powers and makes him invincible In other scenarios the action may take place in a distant little known country to isolate characters Roth s Hostel films or as a way to mythicize the very origin of evil Bava s Black Sunday Finally anxieties related to the encroaching presence of technology in our lives may give rise to postmodern narratives of loneliness and disconnect at the crossing between virtual and real places in Kurosawa s Pulse the internet acts as a gateway between the living and spirit worlds creating an oneiric realm where the living vanish and ghosts move to replace them This suggestive topic begs to be further investigated this volume represents a crucial addition to the scholarship on horror film culture by adopting a transnational comparative approach to the analysis of formal and narrative concerns specific to the genre by considering some of the most popular titles in horror film culture alongside lesser known works for which this anthology represents the first piece of relevant scholarship

The Piranhas Roberto Saviano,2018-09-04 In Gomorrah a New York Times Book Review Notable Book of the Year Roberto Saviano revealed a true devastating portrait of Naples Italy under the rule of the Camorra a crime organization more powerful and violent than the Mafia In The Piranhas now a major motion picture the international bestselling author returns to his home city with a novel of gang warfare and a young man s dark desire to rise to the top of Naples s underworld Nicolas Fiorillo is a brilliant and ambitious fifteen year old from the slums of Naples eager to make his mark and to acquire power and the money that comes with it With nine friends he sets out to create a new paranza or gang Together they roam the streets on their motorscooters learning how to break into the network of small time hoodlums that controls drug dealing and petty crime in the city They learn to cheat and to steal to shoot semiautomatic pistols and AK 47s Slowly they begin to wrest

control of the neighborhoods from enemy gangs while making alliances with failing old bosses Nicolas's strategic brilliance is prodigious and his cohorts rapid rise and envelopment in the ensuing maelstrom of violence and death is riveting and impossible to turn away from In *The Piranhas* Roberto Saviano imagines the lurid glamour of Nicolas's story with all the vividness and insight that made *Gomorra* a worldwide sensation With the openhearted rashness that belongs to every true writer Saviano returns to tell the story of the fierce and grieving heart of Naples Elena Ferrante *Addiction and Pastoral Care* Nicolas Roberts, 2018 Addiction can take many forms and there can hardly be a minister or a prison college or schools chaplain who will not have encountered its damaging effects on individuals their families and local communities In the UK in 2014 there were 3 300 drug related deaths and almost 9 000 alcohol related deaths 70% of offenders admit to a drug problem before prison and drug use is a major problem throughout the prison system Besides these compulsive behaviours of all kinds damage personal and communal wellbeing Clergy and pastoral workers are often in the front line caring for addicts and their families usually without any professional training This handbook from an experienced pastoral practitioner offers An exploration of the psychology of addiction A theological perspective on desire The nature of pastoral care with addicts Practical models of pastoral care Resources for professional care *Watching Sympathetic Perpetrators on Italian Television* Dana Renga, 2019-02-11 This book offers the first comprehensive study of recent popular Italian television Building on work in American television studies audience and reception theory and masculinity studies *Sympathetic Perpetrators and their Audiences on Italian Television* examines how and why viewers are positioned to engage emotionally with and root for Italian television antiheroes Italy's most popular exported series feature alluring and attractive criminal antiheroes offer fictionalized accounts of historical events or figures and highlight the routine violence of daily life in the mafia the police force and the political sphere Renga argues that Italian broadcasters have made an international name for themselves by presenting dark and violent subjects in formats that are visually pleasurable and for many across the globe highly addictive Taken as a whole this book investigates what recent Italian perpetrator television can teach us about television audiences and our viewing habits and preferences **Mafia Movies** Dana Renga, 2019-07-15 The mafia has always fascinated filmmakers and television producers Al Capone Salvatore Giuliano Lucky Luciano and the Corleonesi Don Vito and Michael Corleone and Tony Soprano are some of the historical and fictional figures that contribute to the myth of the Italian and Italian American mafias perpetuated onscreen This collection looks at mafia movies and television over time and across cultures from the early classics to the *Godfather* trilogy and contemporary Italian films and television series The only comprehensive collection of its type *Mafia Movies* treats over fifty films and TV shows created since 1906 while introducing Italian and Italian American mafia history and culture The second edition includes new original essays on essential films and TV shows that have emerged since the publication of the first edition such as *Boardwalk Empire* and *Mob Wives* as well as a new roundtable section on Italy's other mafias in film and television written as a collaborative essay by more than ten
