Rollo in London Jacob Abbott,2013-08-22 Which London shall we visit first said Mr George to Rollo Why rejoined Rollo surprised are there two of them Yes said Mr George We may almost say there are two of them Or at any rate there are two heads to the monster though the immense mass forms but one body While Mr George was saying these words Rollo had been standing on the step of the railway car and looking in at the window towards his uncle George who was inside Just at this time however the conversation was interrupted by the sound of the bell denoting that the train was about to start So Rollo jumped down from the step and ran back to his own car which was a second class car two behind the one where Mr George was sitting He had scarcely got to his seat before the whistle of the conductor sounded and the train began to move As it trundled along out of the station gradually increasing its speed as it advanced Rollo sat wondering what his uncle meant by the double headed character which he had assigned to the monstrous city that they were going to see **ROLLO IN**
