The Life and Times of Arthur Hildersham Lesley A. Rowe, 2019-06-15 Arthur Hildersham is to a large extent a forgotten Puritan. Since Samuel Clarke compiled a thirteen-page account of his life in the seventeenth century, there has been no biography of Hildersham. But during his lifetime, Hildersham was one of the most revered and prominent Puritan figures. His story combined with a study of his printed works is rewarding in a number of ways. Hildersham is a guide who can help us better understand the rapidly changing and often confusing religious scene of the later Elizabethan and early Stuart period. He faced challenges and big questions that are still relevant. Although we may not agree with all of Hildersham's conclusions, his way of thinking through issues according to biblical principles is instructive. There is often a temptation to spiritualize heroes of the past by concentrating solely on their preaching. The exclusion of their ordinary lives, mundane domestic routines, and business affairs can sometimes leave us feeling inadequate and guilty by comparison. This study of Hildersham will attempt to redress that imbalance by painting a well-rounded portrait of a man who lived for his Master not only in the pulpit but also in daily life, in secular activities, in friendships, and in trials.

Postcolonial Preaching HyeRan Kim-Cragg, 2021-02-11 In *Postcolonial Preaching*, HyeRan Kim Cragg argues that preaching is the act of dropping the stone of the Gospel into a lake, making waves to move hearts and transform the world wounded by colonial violence. The ripple effect serves as a metaphor and acronym to guide to preaching that takes postcolonial concerns seriously. **Rehearsal** **Imagination** **Place** **Pattern** **Language** and **Exegesis** **RIPPLE**. Kim Cragg explains each ripple in this approach and exercise of creating and delivering sermons. The author delivers fresh insights while drawing on some traditional homiletical perspectives in the service of a homiletic that takes the reality of racism, migration, and environmental degradation seriously. Moreover, Kim Cragg demonstrates the postcolonial sermon in action by including annotated homilies. This book contributes to the very first wave of the application of postcolonial scholarship in preaching. Given the continuing extent and influence of colonial worldviews and legacies, this approach should become a staple in preaching over the next generation.
