

Team Charter Template

Use this Team Charter Template as a Roadmap to move your project forward. This document will help you keep your team focused, productive, and united in order to achieve the common goal.

Mission & Objectives

- It defines what success looks like and clarifies the purpose of the team itself.

Scope

- Defining the scope of the project is fundamental to creating a Team Charter. In turn, it is important to define what is out of scope, constraints, risks, and acceptance criteria.

Team Members

- In this section establish who will be the members of your team and their functions, as well as their skills and areas of expertise. It is also important to define the roles and responsibilities of each member.

Communication guidelines

- Establish the methods and channels of communication, the frequency of meetings and reports. Generating good communication in the team will help to improve the work environment and achieve the objectives.

Resources & Support

- Establish what resources will support the project, such as personnel, budget, time, team building, and external support that will be received.

Team Leadership and Partnering in Nursing and Health Care Cynthia Armstrong Persily, 2013-06-28 I enjoyed this book It provides excellent information on the current use of healthcare teams and partnerships It is a worthwhile resource for anyone interested in developing and working with healthcare teams Score 100 5 Stars Doody's Medical Reviews Teamwork is an undisputed asset for reducing nursing and medical errors improving quality of patient care resolving workload issues and avoiding burnout This text helps to foster the leadership expertise and partnerships that will facilitate the delivery of the highest quality care It based on the time tested wisdom that leadership knowledge skills and competencies

gained by training a group of nurses in the same organization rather than a single nurse are much more likely to result in genuine organizational transformation. It is the only text available to focus in depth on building and maintaining effective partnerships, motivating and developing others in the team, organizational analysis, strategizing, communicating, planning and managing change, measuring team and partnership effectiveness through metrics and leveraging results within and outside of the organization. Case studies across a variety of organizations and environments and drawn from years of nursing team and leadership training illuminate key points and provide readers with real life examples of the application of key concepts. These include such scenarios as developing a team to create, implement and evaluate a nurse residency program in a large tertiary hospital, creating a cross agency public health team to plan and deploy rural H1N1 responses, founding a multi campus team for the creation and implementation of a new BSN curriculum and leadership in a partnership to support the legislative creation of a nursing workforce center. Learning objectives, tables, charts, models and questions for thought in each chapter reinforce information in the text. Plentiful references provide opportunities for further study. Authored by a noted expert in education, team building and policy making in nursing and health care, the book will be of value to emerging and seasoned leaders and graduate educators and students including CNL, DNP and NPs. Key Features: Examines in depth team leadership and professional clinical and educational partnering in and for nursing; Features real life case studies in diverse practice and academic centers; Offers a practical approach to applying team leadership and partnership concepts when facilitating health care change; Reviews team models and skills; how to take action; issues and challenges along the way; measuring results and applying leverage to sustain gains; Presents information in a concise step by step format replete with learning objectives, tables, charts and questions for thought.
