data that one might want to analyse These methods then need to be automated so that they do not rely on human intervention which would then allow them to be inserted as components into information processing networks The purpose of the research that is described in these volumes is to develop principled information processing methods that can be used for such analysis Self organising information processing networks arise naturally in this context in which ways of cutting up the original manifold into simpler pieces emerge automatically CUET PG MBA : General Paper (COQP12) Preparation Book 2024 | 20 Practice Mock Tests (1500+ Solved MCQs of Quant, LIDR, English Preparation) Mr. Rohit Manglik, Best Selling Book for CUET PG MBA General Paper COQP12 with objective type questions as per the latest syllabus CUET PG MBA General Paper COQP12 Exam Preparation Kit comes with 20 Mock Tests and the best quality content Increase your chances of selection by 16X CUET PG MBA General Paper COQP12 Practice Book comes with well structured and 100% detailed solutions for all the questions Clear exam with good grades using thoroughly Researched Content by experts
