

Dream Job Salary Algebra 1 Performance Task

Write solutions:

Three differentiating tasks (problems 1, 2, and 3). The tasks are differentiated by skill set, problem complexity, and thinking-on-problem for each. For each task, you will need to read the problem carefully. If all are done, you will have a good understanding of the concepts (and of the tasks). Below, the solutions. Good luck!

These are solutions to the assignments below; they are modified if your students will not have a thinking.

This is a writing assignment where students are to describe a problem-solving system.

The following is a writing assignment that will be used as your assignment. However, the content of the assignment is a little different so that you can use it as a template. This is a writing assignment that will be used.

Problem 1: The Job Salary
