

1. Circle the element with the largest atomic radius and put a square around the element with the smallest atomic radius:

Cu **K** Ni **Br**

- a. Explain why you made these choices: *All of the elements are in the same period. The trend in atomic radius as you go across a period is DECREASING. Therefore, the element on the far left (K) is the largest, and the element on the far right (Br) is the smallest.*

2. Circle the element with the highest ionization energy and put a square around the element with the lowest ionization energy:

Cu **K** Ni **Br**

- a. Explain why you made these choices: *All of the elements are in the same period. The trend in ionization energy as you go across a period is INCREASING. Therefore, the element on the far left (K) has the lowest ionization energy, and the element on the far right (Br) has the highest ionization energy.*

3. Circle the element with the highest electronegativity and put a square around the element with the lowest electronegativity:

Cu **K** Ni **Br**

- a. Explain why you made these choices: *All of the elements are in the same period. The trend in electronegativity as you go across a period is INCREASING. Therefore, the element on the far left (K) has the lowest electronegativity, and the element on the far right (Br) has the highest electronegativity.*

4. For each of the following groups: Circle the element with the largest atomic radius and put a square around the element with the smallest atomic radius:

- 5.
- O C **Be** **Ne** Same Period
 - Na Rb **Fr** **H** Same Group
 - Pb** **C** Sn Si Same Group
 - Au W S **Fr** **Ne** Zn Challenge

6. For each of the following groups: Circle the element with the highest ionization energy and put a square around the element with the lowest ionization energy:

Merrill Chemistry Robert C. Smoot, Smoot, Richard G. Smith, Jack Price, 1998 **Trends in Teaching Experimentation in the Life Sciences** Nancy J. Pelaez, Stephanie M. Gardner, Trevor R. Anderson, 2022-05-11 This book is a guide for educators on how to develop and evaluate evidence based strategies for teaching biological experimentation to thereby improve existing and develop new curricula It unveils the flawed assumptions made at the classroom department and institutional level about what students are learning and what help they might need to develop competence in biological experimentation Specific case studies illustrate a comprehensive list of key scientific competencies that unpack what it means to be a competent experimental life scientist It includes explicit evidence based guidelines for educators regarding the teaching learning and assessment of biological research competencies The book also provides practical teacher guides and exemplars of assignments and assessments It contains a complete analysis of the variety of tools developed thus far to assess learning in this domain This book contributes to the growth of public understanding of biological issues including scientific literacy and the crucial importance of evidence based decision making around public policy It will be beneficial to life science instructors biology education researchers and science administrators who aim to improve teaching in life science departments Chapters 6 12 14 and 22 are available open access under a Creative Commons Attribution 4 0 International License via link [springer.com](https://www.springer.com) **Hospitality and Travel Marketing** Alastair M. Morrison, 2022-10-27 Fully revised and updated for its fifth edition Hospitality and Travel Marketing provides students with an international and systematic approach to hospitality and travel marketing structured around planning research implementation control and evaluation Written in a user friendly style and structured in a logical and organized manner to aid learning students benefit from the ease of communication practical nature and excellent use of relevant and up to date cases The author's global experience in the industry is emphasized through content on hospitality and travel marketing and other parts of tourism along with a plethora of timely and relevant real life case examples from around the world This new fifth edition is positioned as a post COVID 19 text reflecting the new realities of marketing after the pandemic and has been updated to reflect these current trends in the field including e marketing mobile marketing societal marketing and destination branding It specifically has been updated by Including three new technology chapters on e marketing marketing on social media platforms electronic customer relationship management eCRM and customer co creation in marketing A new chapter on social responsibility societal and social marketing New content on the new realities of the post COVID era and the increasing competitiveness in hospitality and travel greater emphasis on branding disruptive technologies consumer control marketing and generations uses of user generated content and globalization New global case studies throughout with reflective questions to use in class or for self study New marketing and e marketing mini cases throughout the book New and updated additional resources to aid understanding and teaching including PowerPoint slides This international accessible and comprehensive whole industry

textbook written by a world renowned author and industry expert is an invaluable study companion for students of hospitality and travel marketing Creating the Global Classroom Laurence Peters,2022-03-10 The book examines how to begin to think like a global educator first by examining how our own histories and experiences have formed our own cultural and professional identities and second how the varied frames by which global education can be understood pedagogical ideological and cosmopolitan have shaped the field Laurence Peters connects theory and practice about global education relevant to cultivating global awareness in primary and secondary students Rather than seeing global education as a special field separate from the other disciplines the author encourages integration of global perspectives into everything we do Showcasing how global awareness is a developmental issue dependent upon the student s ability to step outside of their own place based comfort zone this volume lays out a roadmap of major challenges and issues around instilling this awareness in students This book connects theory and practice about global education relevant to cultivating global awareness in primary and secondary students From this foundation the book engages with the challenge of integrating global perspectives within a crowded curriculum By convincing students and teachers alike of global education s centrality thinking globally becomes an integral component of learning across subject areas and grade levels and this work encourages students to exercise empathy for the other and to develop critical skills to see through media distortions and fake news so they can better resist the tendency of politicians in our increasingly multicultural countries to divide people along racial and ethnic lines *Research* Elaine R. Monsen,Linda Van Horn,2007-09 A comprehensive guide for survey planning study and questionnaire design and execution and presentation of research Topics include evidence based practice appetite assessment estimating sample size economic analysis using DRIs to assess intake and creating consumer research nutrition messages This book is invaluable for practicing professionals and students Chemistry William L. Masterton,1996-08 This new edition of CHEMISTRY PRINCIPLES AND REACTIONS continues to provide students with the core material essential to understanding the principles of general chemistry Masterton and Hurley cover the basics without sacrificing the essentials appealing to several markets Appropriate for either a one or two semester course CHEMISTRY PRINCIPLES AND REACTIONS Fifth Edition is three hundred pages shorter than most general chemistry texts and lives up to its long standing reputation as THE student oriented text Though this text is shorter in length than most other General Chemistry books it is not lower in level and with the addition of the large volume of content provided by the revolutionary GENERAL CHEMISTRY INTERACTIVE 3 0 CD ROM that is included with every copy it has a depth and breadth rivaling much longer books Holt Chemistry Holt Rinehart & Winston,2003-01-24 *Accounting: Reporting, Analysis and Decision Making, 8th Edition* Shirley Carlon,Rosina McAlpine,Chrisann Lee,Lorena Mitrone,Lyndie Bayne,Ngaire Kirk,Lily Wong,2025-11-24 The market leading eighth edition of Accounting Reporting Analysis and Decision Making 8th Edition presents essential accounting concepts with a focus on practical application and current developments It covers Australian Accounting Standards IFRS 18 ESG sustainability ethics
