ACSM's Resources for the Personal Trainer American College of Sports Medicine, 2013-03-22 ACSM's Resources for the Personal Trainer provides a broad introduction to the field of personal training covering both basic science topics and practical application. It was originally designed to help people prepare for the ACSM Personal Training Certification Exam. It continues to serve that function but the market for it has expanded to practitioners in the field looking for an additional resource as well as in an academic setting where the book is a core text for personal training programs. [ACSM's Certification Review](#) Pete Magyari, American College of Sports Medicine (ACSM), 2021-08-12 Reflecting the authoritative expertise of the American College of Sports Medicine, ACSM's Certification Review 6th Edition prepares users to successfully pass certification exams and become an ACSM Certified Personal Trainer, ACSM CPT, ACSM Certified Exercise Physiologist, ACSM EP, or ACSM Certified Clinical Exercise Physiologist, ACSM CEP. This easy-to-use review combines career-specific information with assessment tools and application-based exercises to boost test-taking confidence and help users ensure a seamless transition to practice. Content in this 6th Edition has been updated to align with the latest edition of ACSM's Guidelines for Exercise Testing and Prescription and reorganized to strengthen connections between the material users will encounter on their exams and how they will apply that knowledge in practice. [Case Studies in Winning Negotiations](#) Gerard Assey, 2024-08-25 Case Studies in Winning Negotiations is your essential guide to mastering the art of negotiation across various industries. This book dives deep into real-world scenarios, offering detailed case studies from sectors such as B2B, B2C, retail, and government. Each chapter unpacks the strategies, challenges, and lessons learned from successful negotiations, providing you with actionable insights to enhance your own skills. Whether you're navigating a high-stakes corporate deal or a complex public sector contract, this book equips you with the tools needed to achieve the best outcomes. It emphasizes the importance of preparation, adaptability, and building long-term relationships while also encouraging readers to develop their own negotiation styles. Ideal for both seasoned professionals and those new to the field, Case Studies in Winning Negotiations is more than just a learning resource; it's a blueprint for success in any negotiation scenario. Transform your approach to negotiation and unlock the potential for winning deals with confidence.
