

COLLEGE EDUCATION SHOULD NOT BE FREE

Colleges that charge no tuition fees for education seem like an ideal solution for student. While they do not exist in most parts of the world some European countries still offer free tertiary education. However, in my opinion this model has major disadvantages for students, universities and the public. I would therefore believe that college education should not be made free for students because of several reasons.

Firstly, my main point in arguing against free education is that the general public is made to pay for the costs of higher education. A degree profits an individual during their entire working life through a higher salary. Having people pay for students who choose not to attend university seems unfair. Students may take for granted the education that they are getting if it's free. According to Garcia (2012), people sometimes would not value something that they did not pay for. Hence, tax money should be spent in a way that profits the public, not just individuals.

Next, free colleges and universities may experience poor funding and this may be related to the quality and range of the programs offered. With poor funding universities struggle to attract qualified professors, equip laboratories, computer labs and others. According to Ferreri (2012), the funds that universities and colleges received are very much dependent on the institutions' performance. If education is being made accessible to students who are not keen in their studies, the institutions' credibility may be at stake. Also, in a tuition-free education system there may be little competition between universities as they do not aim to attract more or better students.

Lastly, it can be argued that students profit most from not having to pay tuition. This view can be shortsighted as colleges which offer free courses have little motivation to improve the quality of education that they offer. Also, students have little influence when complaining about poor quality or outdated education and equipment. Colleges have no motivation to listen to their complaints as students leaving do not affect their financial situation. Additionally, it is human nature to value free resources and not treat them with great care. In a free education system, the students have little pressure and sometimes little support from the college to finish their education in a timely manner. This is supported by Gunn (2012), "Young people grow and mature through toil and struggle. They develop self-confidence by facing a difficult and expensive challenge and finding a way to conquer it." If students do not feel the hardship of earning a degree, consequently, some students spend years in college.

In conclusion, for all these reasons I believe paying tuition for higher education is a better and more just solution than the public paying for universities. On top of being a fair system, it is most likely to improve the quality of education offerings in the long run.

Contemporary Ukraine on the Cultural Map of Europe Larissa M. L. Zaleska Onyshkevych, Maria G. Rewakowicz, 2014-12-18

The concept of a return to Europe has been integral to the movement for Ukrainian national rebirth since the nineteenth century. While the goal of a more fully reformed politics remains elusive, numerous expressions of Ukrainian culture continue to develop in the European spirit. This wide-ranging book explores Ukraine's European cultural connection, especially as it has been reestablished since the country achieved independence in 1991. The contributors discuss many aspects of Ukraine's contemporary culture: history, politics, and religion in Part I; literary culture in Part II; and language, popular culture, and the arts in Part III. What emerges is a fascinating picture of a young country grappling with its divided past and its colonial heritage, yet asserting its voice and preferences amid the diverse and at times conflicting realities of the contemporary political scene. Europe becomes a powerful point of reference, a measure against which the situation in post-independence Ukraine is gauged and debated. This framework allows for a better understanding of the complexities deeply ingrained in the social fabric of Ukrainian society.

Opinion Paper Sample Introduction

In the digital age, access to information has become easier than ever before. The ability to download Opinion Paper Sample has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Opinion Paper Sample has opened up a world of possibilities. Downloading Opinion Paper Sample provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources

on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Opinion Paper Sample has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Opinion Paper Sample. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Opinion Paper Sample. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Opinion Paper Sample, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Opinion Paper Sample has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Opinion Paper Sample Books

1. Where can I buy Opinion Paper Sample books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
