Connecting the Nation Paul Ashton, Tracy Ireland, Jaya Keaney, Alison Wain, Mitchell Whitelaw, 2017-01-01 Aviation has played an important part in shaping Australia's culture and history through the course of the twentieth century Australia embraced aviation from its earliest days eagerly responding to its potential to cover a challenging country to bring far flung communities closer and to provide services that could not be delivered any other way Add the romance of pioneer heroes the vital role of aviation in wartime and the capacity to deliver aid to people in need in Australia and beyond and it is clear why aviation is at the heart of Australia's recent history This book aims to set out the major themes that characterise Australia's aviation history for a broad audience and to provide a foundation for a broader discussion and for further research about how aviation transformed Australia Connecting the Nation is a vital and timely introduction to the history of civil aviation in Australia as we prepare for the centenary of civil aviation services in 2020

Social Citizenship in an Age of Welfare Regionalism Mark Simpson, 2022-06-30 This book presents a socio legal examination of national and devolved level developments in social protection in the UK through the eyes of politicians and officials at the heart of this process Since its inception in 1998

devolution has altered the character of the UK welfare state with dramatic change in the 10 years since 2010 A decade of austerity at national level has exposed diverging view in how governments in London Edinburgh and Belfast view the social rights of citizenship This political divide has implications for both social security law as the devolved countries begin to flex their muscles in this key area for citizens economic welfare and the constitutional settlement The book reflects on the impact of austerity the referendum on Scottish independence and subsequent changes to the devolution settlement Northern Ireland s hesitant moves away from parity with Westminster in social protection withdrawal from the European Union Brexit and the possible retreat from austerity during the COVID 19 pandemic The social union may or may not be weakening its character is unquestionably changing and the book lays bare the ideological and pragmatic considerations driving legal developments TH Marshall s theory of citizenship provides the lens through which these processes are viewed while itself being reinterpreted in light of the national government s increasing delegation of responsibility for social rights whether to individuals the voluntary sector or lower tiers of government

Regulatory Support for Off-Grid Renewable Electricity Ngozi Chinwa Ole,Eduardo G. Pereira,Peter Kayode Oniemola,Gustavo Kaercher Loureiro,2023-02-02 This book investigates the role of law in enabling and addressing the barriers to the development of off grid renewable electricity OGRE The limited development of OGRE is ascribed to a host of social economic and legal barriers including the problem of initial capital costs existing subsidies for conventional electricity and lack of technological and institutional capacity Through the analyses of selected case studies from Africa Asia Europe and North and South America this book discusses the typical barriers to the development of OGRE from a global perspective and examines the role of the law in addressing them Drawing together the lessons learnt from the case studies this book offers robust recommendations on how the development of OGRE will support the goal of achieving universal access to low carbon reliable and sustainable electricity globally This volume will be of great interest to students scholars policy makers investors and practitioners in the fields of energy law and policy climate change and renewable energy development
