The Institute continues to administer Certified Communications (CCC) and video certification throughout your organization. The Program's Non-Certification member services include: Program member support, access to quality, state-of-the-art equipment, free field support, and interface of technical support. By completing our program of certification, you allow participants to focus on their training, the Program Board. Our field support team provides your field and classroom in attendance and video recording when needed. Your organization may choose to participate.

This proposed "best interest" standard is also to be interpreted in light of the fact that the proposed standard is not intended to be a "bright line" rule. The proposed standard is intended to be a "flexible" standard that allows the court to consider the best interests of the child in each case.
