**The Imaginative Argument** Frank L. Cioffi, 2017-12-11 More than merely a writing text The Imaginative Argument offers writers instruction on how to use their imaginations to improve their prose Cioffi shows writers how they can enliven argument the organizing rubric of all persuasive writing by drawing on emotion soul and creativity the wellsprings of imagination While Cioffi suggests that argument should become a natural habit of mind for writers he goes still further inspiring writers to adopt as their gold standard the imaginative argument the surprising yet strikingly apt insight that organizes disparate noises into music that makes out of chaos chaos theory Rather than offering a model of writing based on established formulas or templates Cioffi urges writers to envision argument as an active parsing of experience that imaginatively reinvents the world Cioffi's manifesto asserts that successful argument also requires writers to explore their own deep seated feelings to exploit the fuzzy but often profoundly insightful logic of the imagination But expression is not all that matters Cioffi's work anchors itself in the actual Drawing on Louis Kahn's notion that a good architect never has all the answers to a building's problems before its physical construction Cioffi maintains that in argument too answers must be forged along the way as the writer inventively deals with emergent problems and unforeseen complexities Indeed discovery imagination and invention suffuse all stages of the process The Imaginative Argument offers all the intellectual kindling that writers need to ignite this creativity from insights on developing ideas to avoiding bland assertions or logical leaps It cites exemplary nonfiction prose stylists including William James Ruth Benedict and Erving Goffman as well as literary sources to demonstrate the dynamic of persuasive writing Provocative and lively it will prove not only essential reading but also inspiration for all those interested in arguing more imaginatively more successfully This edition features new chapters that cover the revision process in greater depth as well as the particular challenges of researching and writing in the digital age such as working with technology and avoiding plagiarism The book also includes new sample essays an appendix to help instructors use the book in the classroom and much more

**Alternative Rhetorics** Laura Gray-Rosendale, Sibylle Gruber, 2001-04-19 Challenges the traditional rhetorical canon

Writing Argumentative Essays Nancy V. Wood, 2000-05

This brief rhetoric helps students develop strategies for critical reading critical thinking research and writing that will help them argue clearly and convincingly It teaches them to identify and develop arguments to read and form reactions and opinions of their own to analyze an audience to seek common ground and to use a wide realistic range of techniques to write argument papers that express their individual views and original perspectives on modern issues It includes clear explanations and examples of argument theory and reading and writing processes research and documentation skills and offers engaging class tested writing assignments and activities 49 Essays for Analysis cover several broad issue and sub issue areas all of contemporary concern Unique chapters discuss student argument styles Rogerian argument and argument and literature Beckett in Popular Culture P.J. Murphy, Nick Pawliuk, 2015-12-23 What do Bono Seinfeld and Apple have in common Nothing However it s the nothing of Samuel Beckett which is something Bold and provocative Beckett s works and even his image are a potent force in modern society Shoes marketing baby names all fall under his spell This collection of new essays one exception finds him incorporated into virtually all aspects of popular culture television popular fiction movies tattoos even sports in a manner that seems to defy classifying Is it image making or image taking Why is our culture so obsessed with an obscure Irish writer most people have not read Each essay provides a unique appraisal of Beckett s branding
