

Safety precautions

- When using your headset while driving, follow local regulations in the region you are in. Never drink alcohol or use drugs while driving. Driving while using your headset may cause the headset to become unstable or become uncomfortable. It may also distract you from driving. To avoid these risks, please do not drink alcohol or use drugs while driving.
- Keep your device and accessories out of the reach of small children or animals. Small parts may cause choking or serious injury if swallowed.
 - Avoid exposing your device to any extreme temperature (below 0°C or above 35°C). Extreme temperatures can cause the deterioration of the device and reduce the charging capacity and life of your device.
 - Do not allow your device to get wet. • Damage can occur to the device. Do not touch your device with your hands. Water damage to your device can reduce its useful life or cause it to stop working.
 - Avoid using your device's light close to the eyes of children or animals.
 - Do not use the device during a thunderstorm. Thunderstorms can cause the device to malfunction and cause harm to the user or the device.
- Excessive exposure to heat or sunlight can cause hearing damage. Exposure to heat or sunlight while driving may distract your attention and cause an accident. Use only the headset when it is not in use and when you are not driving.

Instructional icons

Before you start, familiarize yourself with the icons you will see in this manual.

- Warning**—icons that could cause injury to yourself or others.
- Caution**—icons that could cause damage to your device or other equipment.
- Note**—notes, suggestions, or additional information.

Getting started

Your headset overview

Make sure you have the following items: Headset, charging cable, ear hooks, ear cushions, and user manual. The specifications may vary.

Button functions

Button	Function
	• Press and hold to turn the headset on or off.
	• Press and hold for 3 seconds to answer incoming calls. • Press and hold to reject an incoming call. • Press and hold to place a call on hold. • Press and hold to switch between calls.
	• Press to adjust the volume. • Press and hold to quickly mute/unmute or on/off during a call.

Turning the headset on or off

To turn the headset on

Slide the Power switch on. The blue indicator light flashes 4 times.

Turning the headset on for the first time, it will automatically enter pairing mode for approx. 3 minutes.

To turn the headset off

Slide the Power switch off. The indicator light flashes blue and red three times off.

Charging the headset

This headset has a rechargeable internal battery which is non-removable. Make sure the headset is fully charged before using it for the first time.

The only charging approved charger is the one that is used when the headset is charged. Using any other charger may cause damage to the headset or to the charger. Use only the approved charger.

1. Connect the travel adapter to the charging cable and the headset.
2. Plug the travel adapter into a power outlet. Charging the headset lights will turn on. When the headset is fully charged, the indicator light changes color. Using the headset while it is charging will reduce the battery life.

- Repeatedly charging and discharging of the headset over time will cause the battery performance to deteriorate. This is normal for all rechargeable batteries.
- Never make or receive calls while charging. Doing so may damage your headset from the charger and reduce the life.

Charging the headset

To check the battery level, press and hold the Volume down button and the Call button at the same time. Depending on the battery level, the indicator light flashes in one of the following colors.

Battery level	Indicator light color
90% - 100%	Blue
60% - 80%	Yellow
Below 30%	Red

Pairing the headset with your phone

The headset is in pairing mode when the light flashes red and you see the pairing icon. If the headset powers off during a call, the call will be automatically transferred to the phone.

Wearing the headset

Depending on which ear you are going to wear the headset, simply adjust the ear hook and the ear cushion.

When you use the optional ear cushions instead of the ear hooks, adjust the ear cushions and adjust the ear cushions. Then, adjust the ear cushions left or right slightly depending on which ear you are going to wear the headset.

Turning the indicator light on or off

The headset status light is there to show you the current status of your headset. But if the headset is in pairing mode, you can turn it off.

- Press and hold both volume buttons simultaneously to turn the indicator light on or off.
- The indicator light will always turn off when the headset is turned on or off when a call is received. Call history mode will show when the battery is low.

Using your headset

- Activated functions and features may differ depending on the phone type.
- Some phones, especially those that are not certified as approved by the Bluetooth Special Interest Group (SIG), may be incompatible with your headset.

To ensure you get the best performance from your headset

- Keep the distance between your headset and device as small as possible and avoid placing your hands or other objects in the signal path.
- If your headset and your mobile phone with your right hand, wear the headset on your right ear.
- Keeping your headset in a case could affect its performance or keep contact to a wireless signal.

Pairing and connecting the headset

Pairing means unique and encrypted wireless connection between two Bluetooth devices when they agree to communicate with each other.

Pairing mode: how to turn the headset into a pairing mode

1. Press the Power button. The blue indicator light starts to blink for 3 minutes.
2. Press and hold the Call button for 3 seconds.
3. Activate the Bluetooth feature on your phone and search for the headset (see your phone's user manual).
4. Select the headset in the list of devices to pair with your phone.
5. If prompted, enter the Bluetooth PIN code of your phone and connect the headset to your phone.
6. Once pairing is completed, the headset will attempt to reconnect with the phone.

Pairing mode: how to turn the headset into a pairing mode

With the Active pairing feature, your headset automatically looks for a Bluetooth device within range and tries to make a connection with it.

- In pairing mode, press and hold the Call button on the headset. The indicator light will change to red when it is in pairing mode. The headset will attempt to connect with the phone within 30 seconds.
- The Bluetooth phone you want to connect with must not be paired with other devices. If the phone is already connected to another device, end the connection and restart the Active pairing feature.
- This feature may not be supported on some devices.

Connecting with two Bluetooth phones

With the Multipoint feature activated, your headset can be connected to 2 Bluetooth phones at the same time.

- To turn Multipoint feature on: Press and hold the Call button and the Volume down button. The indicator light flashes red.
- To turn Multipoint feature off: Press and hold the Call button and the Volume down button. The indicator light flashes red.

1. After connecting with the first Bluetooth phone, stay pairing mode, press and hold the Call button and the Volume down button and search for the second Bluetooth phone.
2. Select the headset in the list of devices found by the second Bluetooth phone.

1. If prompted, enter the Bluetooth PIN code to connect the headset to the second Bluetooth phone.
2. Disconnect the headset from the first Bluetooth phone.
3. When pairing is complete, the headset will connect to a second Bluetooth phone.

Connecting to two Bluetooth phones at the same time

You can also pair and connect your headset with a second device such as an MP3 player. The process of connecting to a second device is rather simple as the connecting with a phone. When connected to both devices, phone and music player, you can make an incoming call on the phone while listening to music from the music device.

- You cannot control playback & using your headset.
