The Assessment Debate Valerie J. Janesick, 2001-11-14 An authoritative reference on one of education's hottest topics describing how the latest testing and assessment tools can be used to help improve student performance In this comprehensive review of the wealth of techniques by which students can be assessed Valerie J Janesick points out that the politics of schooling often gets in the way of student progress High stakes standardized testing is frequently based on poorly constructed unfair tests that encourage teaching to the test which actually impedes educational goals Authentic testing relies more on essays and writing samples performances demonstrations and role plays Although it is fairer and provides a measure of student growth and progress it requires more effort by teachers who also require extra training Besides discussing authentic assessment in detail The Assessment Debate includes a chronology an annotated directory of organizations supporting performance assessment a list of state coordinators for testing reform and state by state report cards

Resources in Education ,2000 Reframing Teacher Leadership to Improve Your School Douglas B. Reeves, 2008-05-15 Do you want your school or district to truly become a learning organization How do you foster lasting and meaningful change How do you avoid rejection of your new approach to teaching and learning If you've been involved in a school change effort you most likely have struggled with these questions To ease this struggle Douglas B Reeves has proposed a new framework to promote effective change efforts through teacher leadership In this book you will explore not only cutting edge research findings but also practical applications that can help improve student achievement and educational equity You can learn how to achieve lasting results as an educator and school leader You can learn from other teacher researchers how to infuse your classroom school or district with enthusiasm meaningful teaching improved results and greater satisfaction Even as you strive for innovation you naturally want to avoid having the next new thing become the latest old thing To achieve lasting change educators must embrace evidence based decision making rather than the fact free debate Reeves has found that educators more readily accept decisions they disagree with if they believe the decision making process was fair not based on opinion or hierarchy Reeves aims for you to help him build a network of teacher leaders based on this new evidence based framework that will foster resilient learning organizations Come along explore act and share Note This product listing is for the Adobe Acrobat PDF version of the book **Testing Our Children** Monty Neill, 1997
