Read, copy, and transcribe

Exercise 105
Read, copy, and transcribe
The first of the great
principles of shorthand
is to write the words
as they are pronounced
and not as they are
spelled. This is the
key to the system.
The second principle
is to write the words
in a simple and direct
manner, without
unnecessary flourishes
or decorations. The
third principle is to
write the words in a
compact and concise
manner, so that they
can be written quickly
and easily. The fourth
principle is to write
the words in a clear
and legible manner,
so that they can be
read without difficulty.
The fifth principle is
to write the words in
a consistent manner,
so that they can be
read without confusion.
The sixth principle is
to write the words in
a uniform manner,
so that they can be
read without error.
