in America and how one inspired act of bravery brought him home It started out as a simple hike in the Utah canyonlands on a warm Saturday afternoon For Aron Ralston a twenty seven year old mountaineer and outdoorsman a walk into the remote Blue John Canyon was a chance to get a break from a winter of solo climbing Colorado s highest and toughest peaks He d earned this weekend vacation and though he met two charming women along the way by early afternoon he finally found himself in his element alone with just the beauty of the natural world all around him It was 2 41 P M Eight miles from his truck in a deep and narrow slot canyon Aron was climbing down off a wedged boulder when the rock suddenly and terrifyingly came loose Before he could get out of the way the falling stone pinned his right hand and wrist against the canyon wall And so began six days of hell for Aron Ralston With scant water and little food no jacket for the painfully cold nights and the terrible knowledge that he d told no one where he was headed he found himself facing a lingering death trapped by an 800 pound boulder 100 feet down in the bottom of a canyon As he eliminated his escape options one by one through the days Aron faced the full horror of his predicament By the time any possible search and rescue effort would begin he d most probably have died of dehydration if a flash flood didn t drown him before that What does one do in the face of almost certain death Using the video camera from his pack Aron began recording his grateful good byes to his family and friends all over the country thinking back over a life filled with adventure and documenting a last will and testament with the hope that someone would find it For their part his family and friends had instigated a major search for Aron the amazing details of which are also documented here for the first time The knowledge of their love kept Aron Ralston alive until a divine inspiration on Thursday morning solved the riddle of the boulder Aron then committed the most extreme act imaginable to save himself Between a Rock and a Hard Place a brilliantly written funny honest inspiring and downright astonishing report from the line where death meets life will surely take its place in the annals of classic adventure stories

Between a Rock and a Hard Place Elaine Graham, 2013-07-31 Public theology is an increasingly important area of theological discourse with strong global networks of institutions and academics involved in it Elaine Graham is one of the UK's leading theologians and an established SCM author In this book Elaine Graham argues that Western society is entering an unprecedented political and cultural era in which many of the assumptions of classic sociological theory and of mainstream public theology are being overturned Whilst many of the features of the trajectory of religious decline typical of Western modernity are still apparent there are compelling and vibrant signs of religious revival not least in public life and politics local national and global This requires a revision of the classic secularization thesis as well as much Western liberal political theory which set out separate or at least demarcated terms of engagement between religion and the public domain Elaine Graham examines claims that Western societies are moving from secular to post secular conditions and traces the contours of the post secular the revival of faith based engagement in public sphere alongside the continuing perhaps intensifying questioning of the legitimacy of religion in public life She argues that public theology must rethink its theological and strategic priorities in order to be convincing in this new post secular world and makes the case for the renewed prospects for public theology as a form of Christian apologetics drawing from Biblical classical and contemporary sources

Between a Rock and a Hard Place Dr. Herldeen Russell,2015-10-29 During a particular period in my life I felt as if I was between the proverbial rock and hard place It was as when the children of Israel in the book of Exodus on their journey to the Promised Land came to a place where Pharaohs army was behind and the Red Seas was in front I could not go forward and had no plans to go backward and the Red Sea would not open up to go forward The frustration of being in that place was terrible and I was at my wits end Just as an airplane arriving at its destination and preparing to land is told that it will not be able to do so because of some unforeseen circumstances is placed in a holding pattern so was I Come journey with me and see and learn what the Lord taught me Life happens to our best laid plans but God orders our steps even when we seemingly are not moving I was not between a rock and a hard place I was in Gods holding pattern Between Rock and a Hard Place
