

Personal Responsibility Goes Hand-in-Hand with Success

GEN200

September 30, 2012

I

I define personal responsibility as being in charge of myself. Personal responsibility goes hand-in-hand with success because it is possible to fail if I am undisciplined with my time management. Being undisciplined can cause me to procrastinate. Maintaining good [health](#) is vital to my academic success. I must be aware of the consequences of managing my health poorly. Controlling stress levels ensures that I am focused on my goals. There are perks to managing my emotions.

Personal [responsibility](#) means having a governing of duty. It means setting goals and standards. As a student, I realize that only I am responsible for the outcome of my academic. [View more content...](#)

This group acknowledged that parents provide support and resources and that sometimes things outside the child conspire against them, but the predominant factor for their child's success was the child's own efforts and motivation."

Maintaining good health is vital to my academic success because if I am unhealthy, I am likely to lose focus. Managing my health poorly can lead to a decline in academic success. For instance, not getting enough will cause exhaustion and make focusing difficult. In the article Exercise Improves Academic Performance Copley is quoted as saying, "Highlander (2007) found that body mass index and physical activity were responsible for as much as 24% of all differences in academic achievement. Dwyer et al's (2001) evaluation of nearly 1 million students in grades 5 through 9 found that those with higher levels of [physical fitness](#) (particularly aerobic capacity) achieved higher scores on standardized tests (this effect was strongest for mathematics tests). Shepherd (1997) found that reducing academic class time by 240 minutes per week and replacing it with physical activity increased scores on standardized math tests."

Controlling stress levels ensures that I am focused on my goals. Managing my emotions helps to make sure

Northeastern North America, 17th & 18th Centuries John G. Reid, 2008-11-14 In examining the history of northeastern North America in the seventeenth and eighteenth centuries it is important to take into account diverse influences and experiences Not only was the relationship between native inhabitants and colonial settlers a defining characteristic of Acadia Nova Scotia and New England in this era but it was also a relationship shaped by wider continental and oceanic connections The essays in this volume deal with topics such as colonial habitation imperial exchange and aboriginal engagement all of which were pervasive phenomena of the time John G Reid argues that these were complicated processes that interacted freely with one another shaping the human experience at different times and places Northeastern North America was an arena of distinctive complexities in the early modern period and this collection uses it as an example of a manageable and logical basis for historical study Reid also explores the significance of anniversary observances and commemorations that have served as vehicles of reflection on the lasting implications of historical developments in the early modern period These and other insights amount to a fresh perspective on the region and offer a deeper understanding of North American history Essays on Levinas and Law Desmond Manderson, 2008-12-18 This collection brings together major writers and major works on what Emmanuel Levinas means to law and injects Levinas provocative ethics right into the heart of living law radically changing our understanding of both **Hannah Arendt** Lewis P. Hinchman, Sandra K. Hinchman, 2012-02-01 This work presents both the range of Arendt's political thought and the patterns of controversy it has elicited The essays are arranged in six parts around important themes in Arendt's work totalitarianism and evil narrative and history the public world and personal identity action and power justice equality and democracy and thinking and judging Despite such thematic diversity virtually all the contributors have made an effort to build bridges between interest driven politics and Arendt's Hellenic existential politics Although some are quite critical of the way Arendt develops her theory most sympathize with her project of rescuing politics from both the foreshortening glance of the philosopher and its assimilation to social and biological processes This volume treats Arendt's work as an imperfect somewhat time bound but still invaluable resource for challenging some of our most tenacious prejudices about what politics is and how to study it The following eminent Arendt scholars have contributed chapters to this book Ronald Beiner Margaret Canovan Elisabeth Young Bruehl Seyla Benhabib Jürgen Habermas Hanna Pitkin and Sheldon Wolin **Justice and Human Rights in the African Imagination** Chielozone Eze, 2021-04-15 Justice and Human Rights in the African Imagination is an interdisciplinary reading of justice in literary texts and memoirs films and social anthropological texts in postcolonial Africa Inspired by Nelson Mandela and South Africa's robust achievements in human rights this book argues that the notion of restorative justice is integral to the proper functioning of participatory democracy and belongs to the moral architecture of any decent society Focusing on the efforts by African writers scholars artists and activists to build flourishing communities the author discusses various quests for justice such as environmental justice social justice intimate justice and restorative justice It discusses in particular ecological violence human rights abuses
