ROLES OF A TOUR GUIDE

A tour guide plays important roles in tourism. According to the Australian Government's jobGuide (n.d.), these roles include:

- Meeting and greeting the tour participants upon arrival and facilitation introductions;
- Coordinating pre-arranged accommodation and transport and making sure that tour participants are comfortable;
- Coordinating pre-arranged tours including visits to local attractions, shops, restaurants etc.;
- Leading tour groups and pointing out places of interest;
- Preparing and presenting tour guide spiels called tour commentaries;
- Researching and sharing general information about the city and/or country;
- Attending to operational problems, such as booking errors and changes, lost bags, or sickness and providing first aid if needed; and
- Preparing and submitting written reports of how the day's tour turned out, including financial report and other administrative work.

Identity and Intercultural Exchange in Travel and Tourism Anthony David Barker, 2014-10-14 This book looks at the relationship between questions of identity formation and modern practices in travelling and tourism. Unprecedented levels of mobility and international exchange over the last 100 years have raised questions about the stability of national and personal identities and new and creative patterns of behaviour and self-realisation are now emerging due to the enormous commercial interests that lie behind the modern travel and tourism industries. The volume will consider these issues and the challenges they create in various geographical contexts: Germany, Spain, Romania, Italy, Africa and concludes with a number of case studies from the Portuguese context where the revenues from tourism are integral to its economy and a lifeline in the current economic crisis.

The Routledge Handbook of Nature Based Tourism Development Ante Mandić, Sandeep K. Walia, 2023-03-29 This handbook offers a comprehensive overview of the themes and concepts related to nature based tourism development. Providing interdisciplinary insights from leading researchers, academics and practitioners across the globe, it delivers a critical and timely contribution to the knowledge around nature based tourism. Nature based tourism is currently the fastest growing tourism sector globally and for many destinations the most significant tourism segment. Organized into five parts, this handbook provides contemporary and cutting edge perspectives on core topics and explores their linkages. It considers among others various natural settings and natural attractions where nature based tourism can be exercised including protected and conserved areas, islands and mountains, the emerging themes shaping the contemporary nature based tourism development including ethics, Sustainable Development Goals, COVID 19 crisis over tourism, climate change, resilience and new approaches toward the visitor management and low impact experience design including regenerative and transformative tourism, destination stewardship and pro environmental behaviour. Part I introduces the concept of nature based tourism and the emerging challenges in the field. Part II explores the key components in the management and planning of nature based tourism development. In Part III the handbook focuses on visitor experience design and management and Part IV highlights the impacts of nature based tourism. Part V examines the future of nature based tourism and possible solutions to mitigate associated challenges in the field. The handbook offers a valuable contribution with a systematic outlook of the phenomenon of nature based tourism and critical perspectives on key concepts, policy and practice. It shares current knowledge, innovative tools and sustainable solutions with substantial evidence and societal impact. The book will appeal to students, researchers and professionals in the fields of tourism, human geography, leisure studies, business studies and sociology.
