My Omaha Obsession Miss Cassette, 2020-11 2021 Nebraska Book Award My Omaha Obsession takes the reader on an idiosyncratic tour through some of Omaha's neighborhoods buildings architecture and people celebrating the city's unusual history Rather than covering the city's best known sites Miss Cassette is irresistibly drawn to strange little buildings and glorious large homes that don't exist anymore as well as to stories of Harkert's Holsum Hamburgers and the Twenties Club Piecing together the records of buildings and homes and everything interesting that came after Miss Cassette shares her observations of the property and its significance to Omaha She scrutinizes land deeds insurance maps tax records and old newspaper articles to uncover a property's singular story Through conversations with fellow detectives and history enthusiasts she guides readers along her path of hunches personal interests mishaps and more As a longtime resident of Omaha Miss Cassette is informed by memories of her youth combined with an enduring curiosity about the city's offbeat relics and remains Part memoir and part research guide with a healthy dose of colorful wandering My Omaha Obsession celebrates the historic built environment and searches for the people who shaped early Omaha **Youth Alternatives,**

The New York Times Magazine ,2009 **Half-Mammals of Dixie** George Singleton, 2025-05-01 George Singleton who's had many stories published in the best literary journals has recently burst into the big time with appearances in Playboy Zoetrope The Atlantic Monthly Harper's Magazine and Book The stories in his new collection are wild and woolly or maybe we should say wild and half woolly In any case they're definitely not for the creationist crowd or for the laughter impaired For example A self-described primitive artist getting rich off religious canvases is mistaken for a faith healer A lovelorn dad woos his third grader's teacher with very special show and tells including long lost love letters to Shakespeare from Anne Hathaway to Fred Astaire from Ginger Rogers and to Henry VIII from all of his wives A boy's reputation is ruined forever when he accepts the starring role in a documentary on diagnosing head lice Off the wall But also utterly believable and written with tremendous affection for the people and their place a place called Forty Five part of the contemporary South that's far removed from big city Atlanta or proper Charleston and in fact much like Singleton's own hometown of Dacusville South Carolina As he says of his characters They're regular people just trying to get by Most of them aren't jaded by everyday life though perhaps they should have been long ago There are some with physical and mental limitations but I hope
